THE CHIEF AMBASSADOR: THE DANIEL MODEL-- MASTERING
KINGDOM INFLUENCE

Focal Point:

But when the Father sends the Advocate as my representative—that is, the Holy Spirit—he will teach you everything and will remind you of everything I have told you. (John 14:26)

Then the king ordered Ashpenaz, chief of his court officials, to bring into the king’s service some of the Israelites from the royal family and the nobility— He was to teach them the language and literature of the Babylonians. The king assigned them a daily amount of food and wine from the king’s table. They were to be trained for three years, and after that they were to enter the king’s service. (Daniel 1:3-5)

Required Reading:

Daniel 1-5

Overview:

In this lesson, we will identify how to become a person of real influence using the Daniel model. We will interlock your personal influence and mastery with your relationship and depth of understanding concerning the Holy Governor. It is important to know his job function, so that he can teach us ours. In order to function in the Daniel model you must learn Kingdom culture and how it trains. The Holy Governor comes to advance the Kingdom in your heart that you may advance it in the earth. You will learn how to master garden influence and train intensively with the Spirit, to obtain great levels of expertise, which will lead to great doors of dominance. You will also decode Babylon’s big plan, and how to put an end to cursed world influence in your life. You can be sure, right about now, Babylonian systems are losing their grip on your life as you become more conscious and aware to the unlimited access you have to heaven’s richness and your inheritance through your mentor, trainer and authenticator, the Holy Governor.

LESSON 10 CURRICULUM

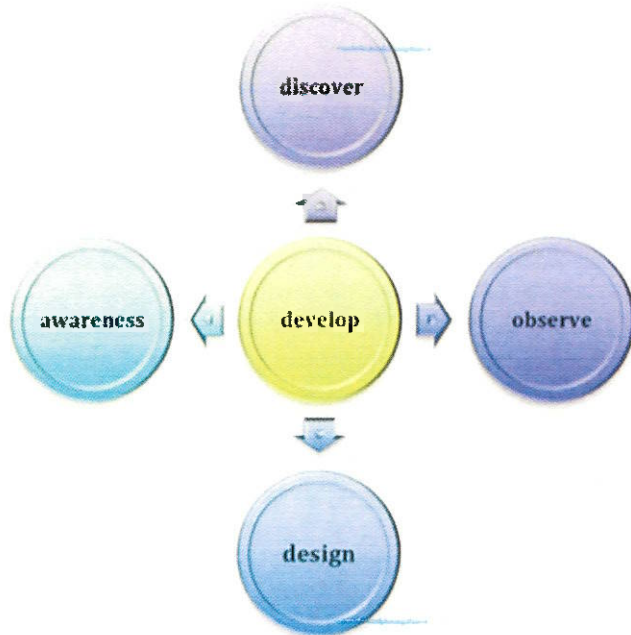

I. Clarifying the Chief Governor’s role: Mastery and Clarity

1. **3 major areas of clarity:** As discussed previously, the Holy Spirit is the seal that authenticates and legalizes us by right as royal sons, worthy of our inheritance through Jesus, to obtain and rule our Father’s entire estate. He is the modus, by which we become “legal male adopted heirs” that Apostle Paul refers to us like this in Ephesians 1, when he says “heirs.” That word is a legal Roman term and it deals with authentication and the right to inherit what’s in the Father’s will.
 - a. In God’s will is His estate; that is why Jesus had to die, to leave us an inheritance that was predestined for us since the beginning of time. That inheritance as discussed previously is 2-sided: authority to reign in the spiritual world, but also a right to live as kings throughout our duration in planet earth.
 - i. Jesus came to earth, subdued or recovered it, prayed in God’s will—which is needed for inheritance, then died. Upon His departure back to Heaven he told the disciples all power in “Heaven and earth” are given to me and now I am giving it back to you. He gave them keys that they could “loose and bind” or enforce law and make law void, by exercising Heavenly influence to impact what goes on in this earth.
 - ii. It is very clear what is happening, what Jesus has done; he has given us a real inheritance, which authenticates us to serve as sons, legal Ambassadors and foreign officials/representatives of His Kingdom. Our job is to take the earth, by spreading Kingdom culture to any life we can touch. Spreading Kingdom culture means the advancement of the thoughts, principles, ideas, sovereign ways and beliefs of God into the earth’s system by mastering and growing our own Garden or sphere of influence, by sharpening our gifts, cultivating God’s nature within us and then overflowing His love and his nature into one of the 7 spheres of influence that govern this Babylonian world system. However, we must be fully aware of and have complete understanding that the impact we have in this earth is only in proportion to our understanding and submission to the Holy Spirit, who is the chief royal ambassador and the overseer of all of Heaven’s functions in planet earth.
 - iii. He is our authority, who we submit to and communicate with as vice-governors playing an intricate role in Heaven’s overall influence of planet earth. We must understand that even though we are sons and we are the Bride, there is still order in God’s house that must be initiated and followed through in order for him to “Bless you” or for you to receive the fullness of your royal inheritance. God blesses this order, when we recognize honor and value who he has put in place as respective authority.
 - b. Therefore, many people experience great frustration in their life, because they fail to realize that everything God has promised, from Heaven to

Blueprint University – Master’s Guide

earth, is dependent upon our intimate dealings with his chief executive of planet earth, the Holy Governor. How be it then, the Holy Spirit is the least talked about individual in the church today. That is mainly why the power and demonstration in the church has not been as it was in the days of Acts or other prominent revivals.

- i. **Every great move of God revolved around people’s understanding of who the Holy Spirit is, His vital role in advancing the Kingdom and allowing him to fulfill that role, assignment and job function.** We cannot get anything in the Kingdom until we learn His role, our role and stop trying to do the Holy Spirit’s function. Yes, Jesus lives in the governing seat of your heart, through the Holy Spirit. He is there to teach you Jesus’ mind, how he thinks and how he operates. He will tell you your assignment, help you seek and discover your purpose, calling and major cause in this life.
 - ii. **Based on the King’s agenda he will guide you down the paths of success and unending prosperity as he gently whispers the King’s will to you.** That’s his main authoritative purpose, to enforce the will of God within man so that you can enforce the will of God in the earth. Many ministries have built and gone on in their pursuit of the Kingdom and God’s calling for them with no real interaction with the Holy Governor. Most ministries don’t realize the Holy Spirit is the representative sent on behalf of Jesus to fulfill the duty, roles and responsibilities as “head” of the church. He directs all of the church’s assignments & effectiveness, if we allow him too, and he will show us where there is misdirection.
 - iii. He comes to establish Heaven’s territory in man’s heart so that we can establish Heaven’s territory in the earth, influencing the 7 main spheres of influence with God’s philosophies and nature. Now, let’s look at some major responsibilities of the chief ambassador, the Holy Spirit.
2. **Vital roles:** The Kingdom functions by roles, assignments and job functions. We must clarify these roles if we want to be effective. For example one should never pursue preaching until he has grasped an understanding of the call to preach, what is a preacher’s role in the Kingdom and what is his/her overall specific role as a minister of God. That is operating with understanding and clarity, which is the ability to grasp purpose and to see into the original intent of anything. **The Holy Spirit comes to teach us “clarity” that’s his number one assignment.** It’s a vital job role, and it instructs according to and concerning the will of God as we enter covenant with Him and submit our lives to the King; rest assured he has a plan of creativity and excellence waiting to unleash his original design for man’s purpose within us, as royal citizens and representatives of that Grace, our glorious inheritance.
- a. **Job role #1:** Create clarity and understanding of God’s purpose for our life—Self Discovery: Self Discovery is harnessed by 4 others phases of self mastery, in all 5 phases the Holy Spirit is geared to teach you mastery in:

i. The royal governor will teach us how to pursue purpose and gradually reveal to us our created purpose and destiny as human beings. Have you asked the Holy Spirit lately: what is my purpose? Addressing him as governor actualizes and authenticates his role and assignment within you, naturally expanding His territory to your heart, vitalizing your role as a Heavenly Ambassador. In other words He needs you to acknowledge who he is to YOU, and then he can influence your life at will.

Self Discovery - Every person is created in the image of God; therefore he/she possesses the hidden capacity to lead and create the life they want.

Self-Awareness - before one can successfully lead, he/she must be consciously awakened to the infinite power that lies within.

Self Development - In order to attain a high quality of living, a healthy mentality of personal growth and development must be established in one’s life.

Self-Observance - One must discover their cause or purpose, strengths and weaknesses, and become one with themselves. A person who is not united with themselves cannot unite others. “Absolute identity with one’s cause is the first and great condition of successful leadership.”

Self-Designed Destiny - Anyone can determine their own destiny and outcome simply by the decisions they make. When decisions are made destinies are created. So your quality of life is dependent on your ability to make great decisions. Those who are great decision makers often manifest destiny and purpose in their lives.

- i. The Holy Spirit, like God, is waiting on constant invitation to influence us with God’s will (intent and purpose); mastery in our discovery, development, awareness, observance and destiny.
- ii. This is the heart of Kingdom culture: the ability to function and operate in God’s original intent and purpose for anything.

Definitions:

1. **Clarity:** the ability to see into the underlying purpose of any person, place or thing. Freedom from indistinctiveness or ambiguity; Mastery of ineptness and perception of vision; the ability of exactness and to make distinctions.
2. **Role:** a function or part performed especially in a particular operation or process.

Blueprint University – Master's Guide

- i. This purpose and intent is enforcing God's will. The Holy Spirit comes to give such clarity into the thoughts of God so that you aren't confused about your identity and your purpose.
- b. **Job role #2: Clarity of our assignment**—We all have a vital role to play as kingdom citizens influencing foreign territory with the intent, will and purpose of God. Again, I cannot stress enough how important it is that this becomes the forefront of thought for every believer: *"I am on assignment, I have role, duty, and job function, I have to be productive for the King, which means spreading my culture for the earth to see through various ways and tools God has given me."*
 - i. **Purpose vs. role.** These are two separate functions but equally important. One gives clarity or reason for existence, and the other gives clarity on how to accomplish that reason for existence. You must create clarity of your divine role. Who are you in the Kingdom? No one can tell you this except the Holy Spirit. So what are you waiting for, pursue him and ask him questions concerning your destiny and role as a royal representative of Heaven in the earth.
 - ii. **Clarity of the assignment.** You can be sure that He will teach you to look into the perfect intent of God concerning your job function in the Kingdom, why you exist in the Kingdom and how to leverage that role to influence in the Kingdom.
 - iii. **The Spirit of Elijah.** The Spirit of Elijah isn't about signs and wonders, it's the power that comes from understanding God's perfect intent and will for anyone or anything. The Holy Governor is the spirit of intent and that is why John the Baptist referred was referred to as the *"Elijah to come."* See, it was prophesied that he would be filled with the Holy Spirit from birth. That means he was going to operate in the perfect intent and will of God and that he represented a generation of forerunners who have the same spirit of intent emerging in the earth enforcing the Kingdom. Of course, John preaches the "Kingdom of Heaven," which is the will of God being enforced in the earth. The Kingdom message declaring God's perfect intent into manifestation. John had the mantle of intent and purpose because the Spirit of Elijah was in him, or rather the "Spirit of the Governor"— who comes to "teach us all things" (John 14:26) God's perfect intent of all things. We are supposed to follow in that mantle of John the Baptist, a body of people who operate according to the thoughts, intents and purpose of God influencing mankind and the earth with that intent. God cannot influence anything without forerunners or Ambassadors: representatives who prepare the way for the expansion of his ideas and thoughts through demonstration of power—signs and wonders, miracles, Healing, breakthrough etc. That is why Jesus submitted to John; it wasn't John that He submitted to, it was the Spirit of God in John. He modeled the same message—"The Kingdom of Heaven" preaching God's will and intent. The mantle of Elijah, the Spirit of the father—the Spirit of intent and purpose. We are submitted to the Holy Spirit to catch His purpose and intent

Blueprint University – Master's Guide

(mantle or vision) because it is a mirror reflection of God's purpose and intent for any thing, person or place in this world.

1. Have you submitted to a spiritual covering?
 2. Do you understand God's perfect intent for your life, business, family and ministry?
 3. Do you understand the value of your role in the Kingdom?
- c. **Job role #3: Clarity of function: How to operate in the Kingdom of God.**

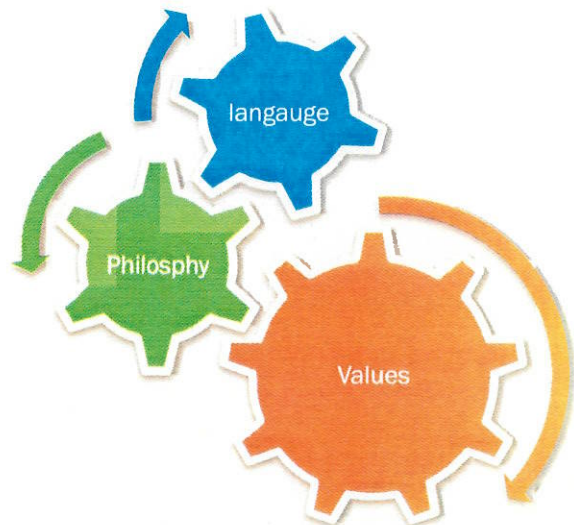

The third main area of clarity the Holy Spirit comes to influence is our understanding of how to manifest the Kingdom of God or Kingdom culture in our lives. It can be very frustrating to have this "Blessing" upon us but be unable to manifest it as a tangible expression. This is a great frustration in the body of Christ and it is directly connected to one's failure to seek out the Holy Spirit's job role in their life. One of the key functions of the Holy Spirit is to be a "trainer." He wants to talk with you, teach you, challenge you, stretch you and detox you of every earth cursed principle, nature and trait you have become accustomed to as a result of the "fallen paradigm" of Adam and your existence in the cursed world system. In order to teach us how to manifest the Kingdom he has to reveal to us what's blocking our entrance into the Kingdom life. This is a process but a very rewarding one, if we are patient and pursuant, and we remain hungry about manifesting the Kingdom, He will surely teach us how to be great manifestos of Heaven's reality in this earth.

- i. **This 3rd job role** is probably the most complex process that exists in our transformation into the image of the Son. Here we must learn to create a Kingdom paradigm in every area of our lives, allowing God to renew us from what we believe that isn't his belief or value system.
- ii. There are 3 core areas of influence, or cultural influences that one must change in order to become a Kingdom manifesto:

1. Language system
2. Philosophical system
3. Value system

- iii. These are the 3 main blocks of cultural influence, and no matter how long a person has been accustomed to any way of life, if these 3 cultural blocks are changed that person can change systems and change their life.

- iv. Daniel became a prominent figure in Babylon by becoming immersed and learned in the spirit of God, or God's intent. He achieved what is called diplomatic immunity by seeing clearly into the perfect intent of God through his Kingdom.

- v. In our next section we examine these areas more closely and identify the Holy Spirit’s training process for producing and materializing the Kingdom of God in our lives.

II. The Daniel Model: Exercising kingdom culture and influence

1. How the Holy governor trains us to experience Kingdom manifestation: The Daniel Model: (examine the required reading in Daniel)

“I have heard that the spirit of the gods is in you and that you have insight, intelligence and outstanding wisdom.” (Daniel 5:14)

- a. Daniel and the other men of Israel were taken into Babylonian captivity and separated from others as they were placed in the King’s palace to undergo intense training (to prepare for service in the Kingdom). The plan was to detoxify them of everything that resembles their culture. So they learned their language (in other words, they made their sound). Then they learned their philosophy by reading their books and literature, transforming their minds to believe in their gods, etc. This is to change how they arrive at thoughts- their paradigm. Lastly their food and drink was changed to a Babylonian diet. However this represents source, what one views is most important, in other words their value system.
- b. Now although this is Babylon training the men of Israel, I want to be clear it is still Kingdom culture taking place.
 - i. **On one end** it shows us how Satan’s kingdom, the kingdom of Babylon, tries to detox us of what is pure and truthful in exchange for a life of fear and limitations that don’t exist in God’s culture.
 - ii. **On the other end** it represents the Kingdom of God and how God desires to use the Holy Governor to train us up into reigning Kings who have learned to leverage the grace of God’s heavenly benefits as ruling power to influence planet earth with. The process doesn’t change with the Kingdom, the training is the same, and this is Kingdom principle.
 - iii. **However the question is:** who’s training you, whose diet are you on and what are you allowing to shape your perceptions and paradigms? What do you crave? Welcome to your intensive training on manifesting Kingdom culture and Kingdom influence.
- c. **Language**- the sound one makes, the frequency you operate on that produces manifestation of a system; the exchange of thoughts and ideas.
- d. **Philosophy**- what one allows to shape and form their paradigm. The paradigm one views life from and how they arrive at a particular thought; a thought pattern.
- e. **Value**- One’s source determined by whom or what wisdom they rely on. What feeds one’s spiritual appetite, what they value most and consider most important.
 - i. If I change these 3 components of cultural influence I can change you. To successfully advance the Kingdom one must undergo a strict training in each area, undoing old religious belief systems, carrying over into language and then their overall value of the Kingdom.

Blueprint University – Master’s Guide

- ii. That is what you’ve been doing and why you’ve been attending this University. Now you are learning how to fully transition into the Blessed life so that you can become a world changer by teaching someone else this same message- lifestyle. Every message you teach should be directed to change or influence one of these 3 cultural blocks with God’s character and nature. This is called Kingdom preaching or more specifically, “systematic teaching”. This kind of preaching ensures that the seed takes root and real change will manifest in the listener’s life. It is intentional lecturing that aims to change the sound one makes, how they perceive things or what they value most.
 - iii. Value determines destiny, and as long as you preach with this Kingdom slant and initiative you can show people what to value in what season so that what they put their hands to they will prosper (Psalm 1, trees- systematic teaching)
- 2. **Babylonian influence:** Again, any people no matter how long they have been accustomed to a particular society, set of beliefs or cultural status can be totally changed and influenced by those 3 dynamics of cultural influence, language, philosophy and values. Everyday, whether through media, entertainment or social circles you are experiencing a gravitational pull from the Babylonian system to keep you within its perimeters of limited thinking, fear-based living and unfulfilled potential. The design of this government is to teach, train and encourage the lifestyle of a reality that is totally separate and independent of the Creator. In other words, “life without God.”
 - a. **Wipe Out:** So it is important to understand that what is happening in Daniel 1 is no coincidence, and in the same way, the Satanic kingdom is an extremely regimented system operating out of its own value systems and cultural extensions with the intention of reproducing itself in the lives of human beings in order to successfully spread its culture throughout planet earth. It is also imperative to understand that everyday the government of Babylon or the cursed world system, is working to wipe out any trace of God’s culture from you through something it has taught you to think, say or value.
 - b. **Negative cycles:** If you allow it to, you will find yourself still trapped in the same negative cycles you encountered before you came into relationship with God. So, if you’ve found yourself wondering why you can’t get ahead or even though you’re saved felt as though you were in some kind of cycle, you are right. It is a satanic system and you have to become detoxified through daily meditation, training and confession of God’s Word and philosophies. That is how God transfers his DNA to you. This is why it is so important that more churches adopt the Kingdom message and culture and provide continuous and intensive training to counteract the Babylonian training system and culture that is dominant in the world today.
 - i. **Kingdom science:** Now, the unique thing about what’s taking place in Daniel 1 is that this training mechanism is a universal training standard for any Kingdom or instrument of cultural influence. In fact it is a Kingdom science. So, the same way God strategically

Blueprint University – Master's Guide

influences planet earth, demonic principalities imitate that same pattern to influence earth with their systems.

3. CULTURAL BLOCK RECAP:

- a. **Philosophy**- this deals mainly with creating the Kingdom paradigm, the Kingdom process and Kingdom perception. This is what we've covered in Kingdom philosophy classes. Please refer back to ensure you are thinking with God's view points in every area of life and that you are influencing others to do the same.
- b. **Language**- everything that God tells us, teaches us and downloads to us is to overall impact one thing: how we talk. What we say is the key to what manifests. However, the Kingdom of God operates on a sound or frequency:
 - i. When God said let there be light that word is *phonos*; it means sound. We get the world telephone from it. How is this? Because what we say produces what we see. Furthermore God set a tune or a wavelength that must be tapped into to experience his reality. So everything he gave man, possession of earth, dominion over all animals and the sky, etc. is dependent on our ability to tune into his sound. The Holy Spirit is trying to train us in His sound. He comes to teach us sound enhancement that is God's language. Every Kingdom has a national language. Ours isn't just speaking in tongues, but it encompasses the sound we make.
 - ii. Every nation has a national language; in the Kingdom, faith is how we talk. If don't speak God's language we disconnect from His culture, His system and His lifestyle.
 - iii. We should examine the "sound" we make daily.
 - iv. **Grasshopper mentality**: You have to become a gatekeeper of your words. What are you saying and how does it line up with God's word? In Numbers 13, the people of Israel called themselves grasshoppers, and that confession governed their lives for 40 years. God holds us accountable to the sound we make. The reason he tells the barren woman to sing is not about the song, it's about changing the sound. We should be singing (influencing with God's sound) in the marketplace with God's principles and culture. The only one who teaches us this is the Holy Spirit. In our next session we will study the law of Kingdom language and how to produce His light with our sound.
 1. Pray for the Royal governor to influence your sound
 2. Be clear in prayer about what you want from God
 3. Declare "let there be light" or phonos from God area by area, in your money, family etc.
4. **Value**- what you value will determine your destiny. Value= meaning and that meaning determines how we think, decisions we make, relationships we entertain and what we do. We have covered value and its importance all throughout the previous lessons. In lesson 11 we will cover more on value and how to leverage it to live an authentic life.

III. Daniel Model II: Influence in motion

Blueprint University – Master’s Guide

- ❖ Now let’s look at these cultural blocks in motion from a Kingdom perspective in Daniel’s life. We gain influence anywhere in any place using this concept of the Daniel anointing.

What is the Daniel Model: Massive influence through expertise

How do you access the Daniel Model?

12 step process to accessing the Daniel Model

1. Become a person of Clarity- Freedom from indistinctiveness or ambiguity; Mastery of perception and vision; the ability to be exact and to make distinctions. Includes the interpretation of things and signs; the ability to see into the perfect intent of any person, place or thing. (Lesson 9)

2. Become a problem solver- creating winning solutions that are duplicable and fruitful, Decision-making (lesson 4)

3. Become a decoder of mysteries (revelation knowledge (lesson 1-3) You must be able to understand “deep things” to have real Kingdom influence. Deep calls out to deep. God is deep, not weird but he is deep. Position yourself for real revelation.

4. Learn Kingdom advisory or supernatural capacity- The supernatural ability to advise preeminent men in great decisions. In this anointing you can tap into someone else’s field and through visions and divine insight direct them in it without experience in that field. Daniel mastered this and became a ruler in Babylon because he understood Kingdom advisory. You are tapping into the realm of the Spirit and bringing keys of direction forth.

5. Tap into supernatural Faith- Believing God no matter what. Here we must learn the art of Kingdom laws (as discussed in Lesson 3) this will show you how to rest in faith. Tapping into such a dimension of the faith where worry is eradicated completely from your life. It takes great faith and understanding of the laws of faith to overcome Babylonian world systems.

6. Gain apostolic and prophetic counsel- Understanding what is said, receiving it and giving clear and exact decoding of the Word.

7. Become a leader of leaders- The Holy Spirit is the Spirit of leadership. It’s your mandate according to His mantle, to enrich other’s lives with principles of influence that can take them to the next level of life. Your life should be your greatest leadership source. Pursue the Holy Spirit for leadership guidance and techniques- How to master life.

8. Walk in the fullness of your God nature: The Blessing- Daniel was walking in such a dimension of Kingdom and apostolic grace that the environment around him conformed to that mantle and kingship. Remember the Kingdom is the Blessing restored. So Daniel’s supreme grace reignited that original intent of God, so the Lions returned to their original nature in the den, in which they are subject to man. Whatever the Blessing touches, it restores to its original nature based on the original intent of God. This is Kingdom manifestation: the point that a thing, person or place manifests God’s original will for it. The Kingdom of God is the manifested will of God in every area of life.

9. Understand diplomatic immunity- Daniel’s understanding of the Kingdom of God allowed him to function totally separate of the system of the world. Though he wasn’t supposed to pray he did and couldn’t be punished

Blueprint University – Master’s Guide

under their law. Why? Because he is a foreigner to their Kingdom: their laws don’t apply because he has diplomatic immunity. So he was able to supersede their form of culture and law body system with supernatural laws. Every Kingdom citizen is a royal ambassador of Christ and must leverage the wisdom of the chief ambassador (the Holy Spirit) to live free from the cursed world system.

10. Step into prophetic mastery- this comes when one is able to see clearly into God’s will for something and articulate clearly that same will for anyone’s life. Don’t get entangled into prophesying to other people. Learn to prophesy to yourself. This intensifies accuracy. One of the biggest problems in the body is giving prophetic words without instruction, but the purpose of the prophetic is so that you may receive instruction (1 Corinthians 14:31). God wants to give you a download of strategy to manifest his words to you. In the same way leverage this gift to instruct great men, but hearing the “sound” of God you can tap into His frequency and give sound insight and predict future outcomes. This gains great influence with great men. Again, the Daniel Anointing is not only the ability to operate as Kingdom citizens but also the wisdom and ability to advise Kings.

11. Learn how to thrive in secular areas and environments.

We have been called to the secular world. We are called to the marketplace. The church cannot have influence shouting and dancing in the corner inside a storefront. They have to reach out into that community and influence that area with love, help and restoration. Secular opportunities will come. People who are able to function and prosper in secular environments are real influencers. The Babylonian government will yield to this Daniel model; it is a model for winning in Babylon. Take your gifts to the marketplace. Don’t be afraid of secular contracts; take them and be salt and light!

12. Become a trendsetter .

In “mastering your gifts” (Lesson 2) we looked at a 5 level process to discovering innovation and creativity in your gift. Trendsetting is at the heart of leadership and the Holy Spirit guides with intense training and supervision into our mastery levels so that we can be at the forefront of change. Whoever controls the trends controls the marketplace controlling the generations. Are you seeking God for innovative secrets, cross cultural ideas and trendsetting ideas? Don’t get stuck inside the box; be the cutting edge and look for ways to add fresh slants to old ideas.

KEY: *Seek the Holy Governor for innovative ideas and cross-cultural influence. Allow him to not just make you a leader but a world leader. Each step is attainable as royal inheritors of God’s Kingdom we have access to his divine knowledge, winning traits, keen insights and sensational wisdom. Ask the Holy Governor to teach you to operate in the Daniel model. Declare that you are a Daniel influencer, one who has massive impact through mastery and expertise.*

IV. Decoding and dismantling the cursed world systems

1. **Babylon’s big secret. 666: Image-** An image is formed for you to have a perspective of something, so that you see something in particular. Image is

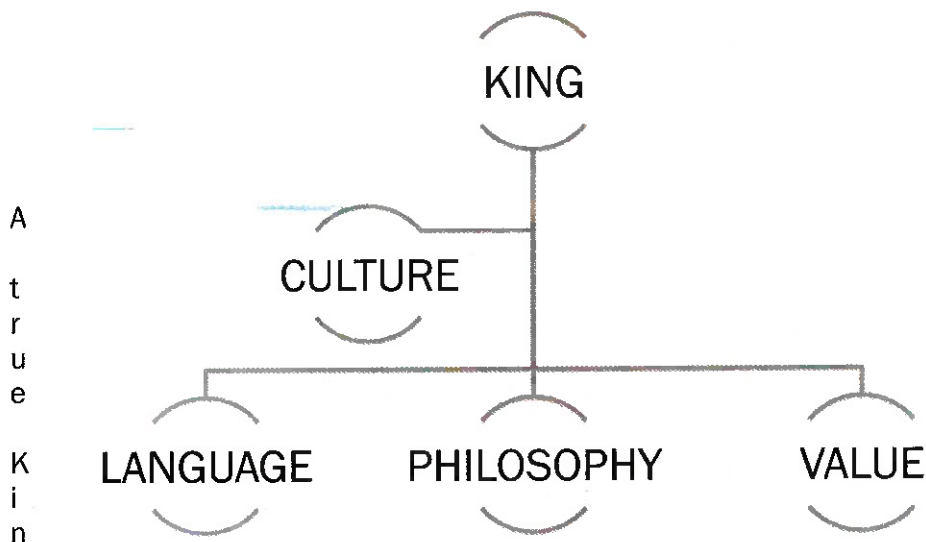

Blueprint University – Master’s Guide

not so much about what is formed but how it is formed in order to manipulate a perspective. It shapes your paradigm.

“It also forced all people, great and small, rich and poor, free and slave, to receive a mark on their right hands or on their foreheads, so that they could not buy or sell unless they had the mark, which is the name of the beast or the number of its name.” (Revelation 13:16-17)

- **Misconception:** The book of revelation is a clear look into the intent and purpose of God’s will for mankind and all creation. It does not necessarily prophecy the end of the world or how it will end. The focus shouldn’t be on the end of the world, it should be looking into the insights to how Demonic Kingdoms operate and influence and how God’s Kingdom influences. With that said, you must realize the mark of the beast is a representation of the 3 main cultural blocks of influence being controlled by demonic thinking and Luciferian ideologies and principles.

- 6- Language
- 6-Philosophy
- 6- Value

gdom culture seeks to influence any person or place with the intent of the King by invading their thought life, language, and core values.

- a. They could not buy or sell- this is the marketplace, place of transactions. 7 spheres of influence being controlled and ruled by demonic kingdoms. That is why gift mastery is important so that one can gain great influence in the Babylonian world systems and use it to impact these areas with God’s culture: **God’s language, philosophy and values.**
- b. **How do we know this image represents demonic government?** Because image is pattern, which represents ideas and philosophies influenced by government. So then let’s find this image in the bible. It appears in Daniel chapter 5. This is in correlation to:
- c. **Revelation 13:15** *“It ordered them to set up an image in honor of the beast who was wounded by the sword and yet lived.”*

Blueprint University – Master’s Guide

- d. **Daniel 3:1, 7** *“King Nebuchadnezzar made an image of gold, sixty cubits high and six cubits wide, and set it up on the plain of Dura in the province of Babylon.*
- e. The common denominator here is simple: image and government. See, God wants us to understand what fuels government so that we understand how demonic systems and kingdoms operate. No one can have marketplace influence without the mark of the beast or without his “impression” or seal. Remember “seals” are official government authenticators, “666” is a government seal. It’s Satan’s impression opposed to God’s impression or seal– the ways of the Holy Spirit. It’s his version of life independent of the creator. That’s the cursed world system, life independent of God. Here, man makes his own provision. He buys and sells with that “mark” or mentality.
- f. **Hand**= provision, what you do for a living. In Babylon employment is picked based on money, therefore people get stuck with jobs they hate and become bitter and mundane about life. That was not God’s original intention. However, in Eden, or the Kingdom, jobs are chosen based on gifts. This is because in the Kingdom your provision is tied to heaven, but in Babylon provision is tied to a job. Your job is supposed to belong to your personal sphere of influence or YOUR PLACE OF ASSIGNMENT. Job’s are not provision in the Kingdom, they are the place God has assigned you for Kingdom influence. Your gifts are supposed to determine your job and through that gift God meets your needs. One who gains the understanding must with time and patience begin to transition back to the provision package of Eden where provision is tied to God, & not the job. In order to live a life of real Kingdom dominion you must do what you love for a living.
- g. **Forehead**= How one views life. This represents the paradigm one thinks with, what Kingdom controls his/her thoughts. Are you operating in the fallen paradigm of Adam or have you tapped into your divine nature by creating and developing a Kingdom paradigm shift? Again, philosophy, a main cultural block of influence, he wants to “impress” you with his government seal, wiping out all Kingdom culture from you and influencing your life, time, profession etc. with his Babylonian culture.
- h. **Breakdown**. Attributes of the image (Daniel 3)- 90 feet high, 90 feet wide- however this is a westernized measurement, which means it didn’t exist in that time. The only measurement system was cubits. So in King James you get the accurate measurement. This statue was actually 60 cubits high and 6 cubits wide. 60 represent: sexagesimal- a numerical system with 60 as its base. This was the mathematical system of Babylon. 60 has 12 prime numbers which equals government. 12 is the number of government. So immediately you must understand this image is dealing with Babylonian government or cursed world administration. It is important to note that **60** was the prominent number of the Babylonian writing and mathematical system. Therefore this statue had to be built 60

cubits high as to indicate the highest ranking, preeminence and dominion.

Now, notice in our calendar system, 60 minutes in an hour, 60 seconds in a minute, it’s sexagismal. Why? This is a legacy of the Babylonian empire. If you worshipped that value system you belonged to the Babylonian system. If you belong to the Babylonian system there is only 60 seconds in your minute, if you belong to the Babylonian system there is only 60 minutes to your hour. Remember when they heard the sound they had to “bow to the image” that means when you think in terms of Babylonian time you are bowing to Babylonian government. Anything you do, say, or think that is Babylonian is an area of your life you are bowing to Satan’s image or his impression, giving way to demonic strongholds and culture to influence your life.

- 1) Most people are not on God’s time calendar and that is why they are always watching the clock when God says he is going to do something. This is a very important key to unlocking Kingdom manifestation and understanding how the Kingdom operates and influences.
 - a) A bank or car company can say they are taking the car today unless you pay or a the light company can say we are cutting off the lights by this day, but that is all based on a sexagismal time calendar—Babylonian calendar. You are in the Kingdom of God, which means you have stepped out of the perimeters of time. So, that is why in Revelation 22, there is no night or day in the new city of Eden, it means no time calendar.
 - b) **Counterfeit bride:** So now you have to live in the earth with this paradigm constantly working the unlimited laws of the Kingdom to even supersede time in this world; whatever creates the most favorable outcome for you. You can’t be in the Kingdom of God operating on a Babylonian time calendar. It is dominion over time. 666 represents demonic influence over value systems, language and philosophies over MARKETPLACE INFLUENCE, including time, and it is indicative of the limitations over the way people view time as well. Anything you bow to in thought, language or values, is yielding to his image and operating out of his impression (mark). Therefore the man given power by the beast in Revelation 13, is not a person but rather a *body*, as in “governing body” the same way the church is Jesus’ body or “governing body.” The man represents satanic government controlling the marketplace because whoever controls the marketplace controls the generations. The one man given power by Satan, is just like the 1 man Adam given power by God, it represents generational influence as well. Satan wants to leverage his culture to gain generational influence and control the world. In other words just as God needs the church his “ecclesia” foreign affairs agency, the devil is a spirit who needs a foreign agency and government to influence earth with, it’s called “the counterfeit bride.”
 - c) **Satan’s Plan:** Satan’s big weapon is his ability to mimic and model what he’s seen in Heaven in his demonic Kingdom in earth. It’s the counterfeit Spirit that has kept the church bound, “masquerading” as an angel of light, it does miracles, just as Revelation 13 says, and performs signs and wonders.

However most of what has been taught in the church hasn’t gotten people much results, no real marketplace influence. Why? It’s because it’s the counterfeit bride, Babylonian impressions, or government influence mixing with God’s truth in the church. It’s the “mixed fruit” principle that Eve encountered when she ate from the tree that mixes knowledge with good (Godly) principles and evil (satanic principles), she became the counterfeit bride still “having a form of Godliness but no power there of.” Sadly, this is the state of the church; a lot of doctrine taught is manmade religion—Babylonian philosophy. Many Christians take in this teaching that incites fear and limited thinking, as though Christians should not try to pursue the unlimited life the original Apostles walked in—Babylonian values. If it was truly God’s entire bride, then we would see more power, but the church has been barren—lacking real marketplace influence and reproduction of people who can influence with Kingdom insight and manifestation. Because we were looking for a man with 666 on his head instead of watching for the marketplace influence of Babylon. The real church must rise up and kick out this counterfeit, barren bride out of the church. Kingdom teaching is how you do it, rehearsing God’s principles and strategies for gaining real influence in the earth to begin subduing the generations with duplicable systems for the generations to follow.

- 2) **Now Kingdom:** Again don’t think Babylonian about anything, not even time or satan can influence your world, because that is his impression, not God’s. Where he sees his seal (666, language, culture or values) he legally can come and influence that person or place with sorrow. Realize you are unlimited in the Kingdom of God and tomorrow can come now by faith. Or an hour can come in a second if you aren’t subdued and accustomed to the Babylonian numerical systems. Neither Daniel or the 3 Hebrew boys were effected by Babylonian time, dominion, diets or laws, because they were only subject to the government of Heaven. They functioned in the full capacity of “diplomatic immunity”.
 - a) When you step into the Kingdom you step out of the realm of Babylonian time. That’s what miraculous signs and wonders do, they cut out time. No regard for it. It’s called *gaining time*. Peter steps into the Kingdom when Jesus got in the boat, the Babylonian time calendar stopped and time sped up, so that the 24 hours wasted was reconciled in 1 minute. It was the same boat, same net and same situation, but different system. 1 minute in the Kingdom can be equivalent to a 24-hour workday. That’s the power of the blessing; God can stretch time or shorten it to benefit the believer (i.e. Joshua held up the sun).
 - b) Now if you lack faith to believe, you won’t receive. Another example is the fish and the loaves of bread. Jesus takes two dead fish and reactivates that same Blessing that was placed on it in Genesis, and it responded by multiplying, which was the original mandate it received in the Garden. Remember what the Blessing touches, it conforms back to God’s original intent for it. So that bread “multiplied.” What would have taken days to catch, clean, cut and divide was accomplished in minutes. In the Kingdom, minutes can turn to days, and days into seconds. That is why the Word of God says it’s clear “1,000 years is as a day and a day is as 1,000 years in God’s sight.” No limits in the Kingdom of God.

- c) **Gain control:** What people don’t understand was the Blessing given to Adam in the garden, established in Abraham through Melchizedek’s order and re-deposited in you through the transfer of Christ’s blood, is a royal divine blood right to rule your world, spiritually and materially without the influence of Babylonian government. For the purpose and order to dominate your region, territory or sphere of influence with the philosophy and concepts of the Creator. You are in complete control of your environment, what is happening is what you allow through wisdom/blessing and through ignorance/disorder and dysfunction. Live free from Babylonian impressions with real Kingdom influence as Heavenly ambassadors and royal diplomats making a mark in history that can’t be erased; establishing heavenly systems and culture generationally.
 - d) **Going back:** “*Set it up on the plain of Dura in the province, jurisdiction and realm of Babylon.*” (Satraps- officers of Persian government that oversee smaller provinces including, Babylon. Remember Gabriel was held off by a demonic general, the Prince of Persia; that is not a demon that is demonic principality)
- 3) **DON’T BOW:** *As soon as you hear the sound (language) of the horn, become subject to its perception or mindset (image, philosophy).* You must honor, or acknowledge the model or system he has set up, or put in place. The Hebrew boys pay no attention (experience, taste or feeling) to the sound so they don’t bow. They are tuned to God’s frequency and making his sound. They are literally so dis-attached from this cursed system that the sound of it doesn’t even impact them. Here is another 6, again language is the source of what physically manifests in our lives. Life or Death is in the tongue. Life= Eden, Death= Babylon which systems are you allowing to rule your world?
- a) Now most people think about that with a Babylonian time constraint, but this is a very important apostolic key. God doesn’t function and neither does His Kingdom according to your numerical system or time calendar. This is important because how you view time controls everything. Time rules your life. However, you were never meant to be subject to the time constraints of this world. The ecclesia is an international embassy of heaven in the Babylonian realm. You are not subject to its laws, eating or diet system, nothing. The reason Daniel fasted was he didn’t give up food; what he fasted was a “Babylonian diet.” Many believers want the Kingdom but they have been eating Babylonian too long, & they must detox to eat at the table with Jesus: Bread and Wine: revelation that releases the fullness of the Blessing over your life. If you are thinking Babylonian in your time, I guarantee that you think Babylonian with your finances. Most people are limited in their money because they are limited in time.
 - b) You can only make so much money in a day, because you can only earn so much an hour and there are only so many hours in a day. This was Peter’s issue “we’ve toiled (sorrow) all day, that means he is operating in a Babylonian cursed system, like most people, trapped by the cursed system Adam became subject to. Stop thinking Babylonian; cut off the constraints of time and say, “*I believe God can make me a millionaire by this time next week.*” If I don’t see the money physically I will have the ideas and all the

traits and characteristics needed to become wealthy; they will begin to flow to me and make me into the person I need to be in order to manifest my confession. However I am not going to be subject to time. This is the Kingdom, without measure, without limits and without boundaries. I am going to shift from one reality to the next and start calling it in now and expecting and receiving it now. By this time next week, by this time tomorrow.

IN EDEN: THE KINGDOM WORLD SYSTEM:

IN BABYLON: CURSED WORLD SYSTEM:

KEY: Diplomatic immunity- *Again Daniel and the Hebrew boys are clear pictures of the Son’s of God manifesting their divine nature. They did not become subject to a foreign law system, which was the Babylonian government. Nothing happened when they rebelled against the cursed world laws. The judgment of the Babylonian system had no impact on them even though they were violating its commands because they had “diplomatic immunity.” The King promoted them after they had been tried in the fire. When you make the decision to get on the Kingdom system, you will be tried before a promotion is given to you. Satan is going to try your trust in the Kingdom system; if he can see that you are completely liberated from his system, he will in a sense “make peace” with you until he can find an opportune time. Just as Laban made peace with Jacob and the Devil “left Jesus” so he will have to honor your Kingdom authority and earthly dominion because now he knows that you know he has no power over you and you have authority over him.*
