VISION MASTERY COURSE: TUNING YOUR LIFE NAVIGATION

Focal Point: *Vision is the key that unlocks destiny. Without a clear, compelling vision, you lack internal navigation and life’s purpose. If you are able vision that is bigger than you, not even YOU will be able to stop you.*

Required reading:

- *The Blueprint:* Chapter 8

Overview:

Locating God’s original purpose and plan for your life will naturally transform into empowering fuel that powers your engine of success. You see, what God knows about, is really going to able impact you until YOU know it. Similarly what God has said about you in His Word will not begin to impact you life until you began to consciously say the same things about yourself. What happens when align purposes with God? We catch his vision for our life. We jump start our internal navigation and learn to tune our life’s compass in the direction of God’s pre-design path to winning in life. That is how purpose becomes passion and our passion becomes what drives us. What is driving you? God wants to influence our lives through the power of driving creating compelling vision that is clear and much bigger than ourselves so that we are always accountable to others whether or not we accomplish that vision. Here, the power of dreaming comes into play. When we dream we are most like God. We exercise our innate ability to produce a reality with inspirational thoughts. Dreaming and Vision go hand in hand and this course will be training guide that teaches how to perfectly blend both. You are about to learn the power of knowing your creative purpose and how a vision bigger than you can shape you into a future world leader and generational influencer that will impact and lead change for generations to come.

LESSON 12 CURRICULUM

I. The Elijah Effect: The power and principles of visionary leadership.

1. You must have a vision that is bigger than yourself.

- a. Jesus’ vision was so far beyond himself, it made him accountable to others. Look at how many people it would’ve affected had he not followed through.

Blueprint University – Master’s Guide

- b. If your vision only impacts you, you’re more likely to give up in the process. If your vision stretches beyond you, your WHY is bigger and you’ll always find a reason to keep going.
- c. If your vision stretches you it will stretch others.

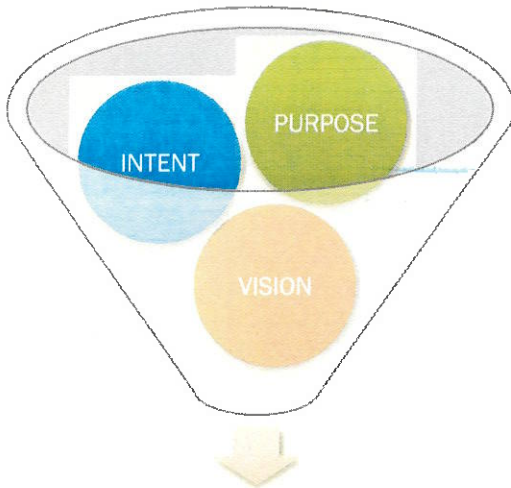

2. Leader vs. Visionary

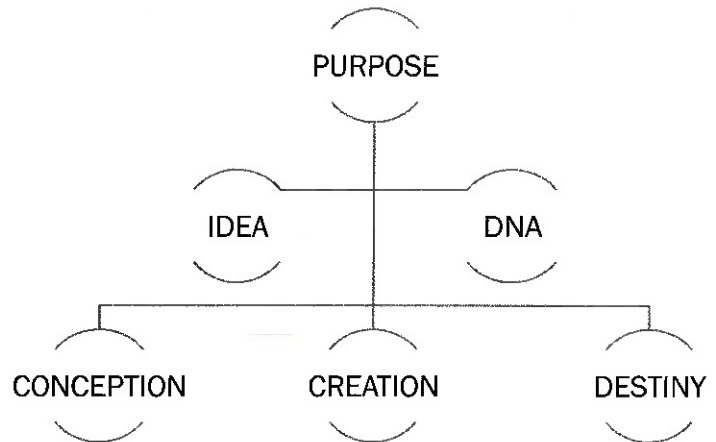

- a. **Leader**- Can only see where their vision begins and ends with them.
- b. **Visionary**- sees beyond himself and thinks generationally. A visionary asks, “what will this vision look like even after I’m gone?” A visionary is a leader who understands he will never accomplish all that he sees, but all that he sees isn’t solely meant for him.
- c. Just because you’re a leader doesn’t mean you’re a visionary, but visionaries are always leaders.
- d. God doesn’t simply raise up leaders, he raises visionaries. He raises up visionaries so that the vision would stretch beyond the leader.
- e. Leaders don’t necessarily always carry mantles. Because the vision of the leader may not stretch beyond himself. If this is the case there is no room for you to lay your head, because he hasn’t made room for you. When Jesus said he had no place or room to lay his head, it was because he had no visionary he could find in the earth to reproduce himself (his vision, thoughts, ideas). He couldn’t find any visionaries to duplicate beyond themselves. (place of reproduction)
- f. So it wasn’t just a place to lay his head or ideas, but a place to reproduce those ideas and concepts.
- g. Again, all leaders don’t necessarily carry mantles. Because mantles carry a vision beyond the leader. Elijah vs. Elisha. He said if you see me face to face. Or: if you can catch my vision. What I am about, my purpose, intent and carry that on, you can have this mantle. But if you aren’t going to be a visionary don’t think about it. But if you see me when I’m caught up, then I know you have what it takes to see beyond yourself.
- h. This means the vision will find you, if you are ready to receive this mantle. A real vision has to find you. That’s why visions always came to the prophets or they would say, the word of the Lord came to me.
- i. Because the vision cannot come from your inspiration; it must be inspired by God.

- j. But God isn't a leader he is visionary, which means he's looking for generational thinkers to place his mantle and vision on.

3. What is the **Elijah Effect**: IT IS THE SPIRIT OF INTENT AND PURPOSE

ELIJAH EFFECT

4. The **Elijah effect** says: 1. if you will create a vision based on the intent and purpose of God's heart, he will make you a trail-blazer for Kingdom manifestation. 2. If you will create a vision that is bigger than you and beyond yourself God will attach himself to that vision. 3. You must position yourself to allow the vision to come to you and God will always know he's the possessor and provisionary of that vision because it was directly inspired by him.
- a. The bible is clear that he only works things out in conformity with his vision and purpose. Until we find out what that is and engage that, God will not cut himself into our vision because we haven't sought his will.
 - b. This doesn't mean you haven't prayed over it, sowed for or confessed your faith. It doesn't mean you don't want to help others. But in the Kingdom, the King's vision is the only vision that matters. Unless you attach your vision to that inspiration he has no legal obligations to make provision. That's why many visions in ministry fail.
5. If God doesn't see his will at work he isn't attached to that vision. Many projects fail not because they didn't first fruit but they didn't gain God's perspective on the matter.

II. How Purpose & Intent Produces Vision

1. HOW TO CREATE A COMPELLING VISION

- a. UNDERSTAND CREATIVE PURPOSE
- b. CREATIVE PURPOSE LEADS TO LIFE PURPOSE
- c. LIFE PURPOSE PRODUCES VISION = DESTINY

2. TUNE YOUR INTERNAL NAVIGATION

- a. **Within us all is roadmap to succeed**
- b. **Knowing God’s creative purpose jump starts the engine of success**
- c. **Our internal compass is God’s influence in our life decisions**
- d. **God is a Spirit who is intimate in His thoughts; therefore he would rather lead us where we are going then “tell” us.**
 - i. **Faith is God’s way of ensuring that he is leading and no one else**
- e. **Embrace the idea of tuning your internal “GPS” to God’s frequency and allow him to “push” into the path of good business decisions, relationship choices and more.**
- f. **Tuning that internal navigation begins with learning your creative purpose = The Kingdom.**
- g. **In the beginning God created. This really means:**
 - i. **That God had an idea to make us like him that is where our creation began. In God’s thoughts. He spoke us into the earth to be driven by the same creative intent.**

3. WHO’S DRIVING?

- a. **When God’s Intent drives you, you are driving with God together.**
- b. **Don’t allow other people’s negative views to influence and steer your life.**
- c. **Faith is the Key to activating God’s guidance as your internal compass direction**
- d. **Drive flows from intent which = passion and purpose which produce, will, thoughts, words and behaviors**
- e. **Ask yourself “WHO’S DRIVING IN MY LIFE?”**
- f. **IF GOD DRIVES YOU’LL NEVER GIVE UP. BECOME SERIOUS ABOUT EMBRACING GOD’S CREATIVE PURPOSE TO MAKE YOU LIKE HIMSELF, LET THAT DRIVE EVERYTHING YOU DO AND YOU WILL BE NATURALLY POINTED INTO HIS LIFE PURPOSE FOR YOU**

4. DESTINY → INNER PURPOSE → CREATION → IDEA → GOD CLASS

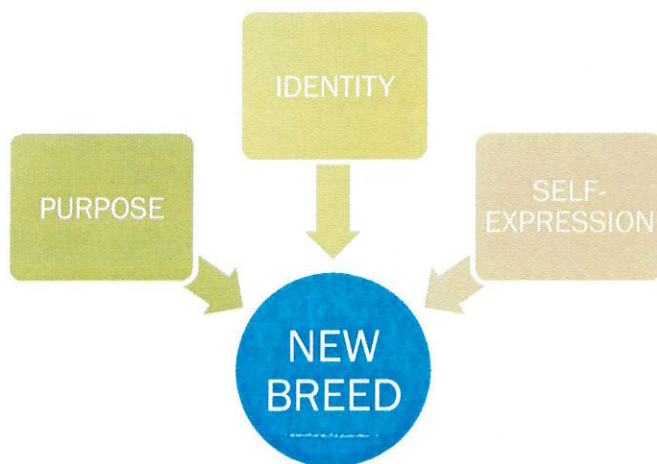

- **In essence man’s destiny is the manifestation of his purpose.**
- **That creative purpose (intent) is to be like God; to rule and dominate.**
- **Creative purpose will point you to life purpose which = your destiny.**
- **DOMINATE WHAT? HOW?**

FINAL PROJECT

Students must create a dream board along with a vision plan to present as a PowerPoint.

1 - Dream Board

Materials Needed:

- Poster board

Blueprint University – Master's Guide

- Magazines
- Scissors
- Glue

Find pictures and words from magazines that represent what you would like to see in your life. For example, you can cut out pictures of people who inspire you, material possessions you would personally like to have (i.e. cars, houses), buildings that represent your goals (i.e. picture of a school or headquarters), words (i.e. “dream big”), etc. Cut out the pictures and words of your choice and put them on your poster board to form your dream board. It will look like a big collage when you are finished, and it will provide visual inspiration and help you stay focused on your vision/dreams.

2 - Vision plan

Go through and create a compelling vision for a business/non-profit based on your major gift.

Include:

- Mission statement
- Vision statement
 - (Include the purpose: the big “WHY” – Why is it bigger than you? How will it impact others?)
- Pillars/core principles of the organization
- What's the major/minor gifts you'll be using
- What sphere(s) of the marketplace does it fall into?
- Target market/demographics
- Marketing
 - Create a brand (Who are you?)
 - What's unique about what you're doing?
 - Taglines you'll use in marketing
 - Plan of execution for marketing
 - Name, logo, colors
- What's your vision for the 1st, 3rd, & 7th year?
 - What are your goals for each of these years?
 - How many employees by 1st, 3rd, & 7th year?
- Do a SWOT analysis
 - S - Strengths (Internal strengths of your organization)
 - W - Weaknesses (Internal weaknesses of your organization)
 - O - Opportunities (External factors that could be opportunities)
 - T - Threats (External factors that could pose a threat)
- Who's your major competitor(s)? (Who's already dominating?)
 - What can you learn from them?

Ask God to inspire, enlarge, and clarify your vision. Agree with God and receive it.
