

❖ LESSON 2 ❖

MASTERING YOUR POWER POSITION: GENERATING MASS
INFLUENCE WITH THE KINGDOM

Focal point:

1) *“You are raised and seated with Christ Jesus, in the Heavenly Kingdoms.”*
(Ephesians 2:6)

2) *“Blessed is the man who does not walk in the counsel of the wicked or stand in the way of sinners nor sit in the seat of mockers. But his delight is in the law of the Lord, and on his law he meditates day and night. He is like a tree planted by streams of water, which yields its fruit in season and whose leaf does not wither. Whatever he does prospers.”* (Psalm 1:1-3)

Overview: In this lesson we continue building on the foundation of Kingdom philosophy by sharpening the Kingdom paradigm with an in-depth look at several Kingdom concepts. The Kingdom of Heaven primarily exists to influence and impact the nature of whatever it touches with the life of God. By “life” I mean the spiritual DNA of God, his manifested thoughts, ideas, culture, and lifestyle extended to another place with the overall will and intent of influencing that culture with his genius. This means the 2 major/primary functions of the Kingdom are: 1) Influence 2) Reproduction.

Along with these two concepts, individuals must discover the perfect intent of God in any matter that they engage. That is how you get the Kingdom working for you: understand God’s original purpose and idea for anything you are doing, be it your business, your family, ministry or any part of your vision. If you can attach God’s purpose to that vision God will attach himself to it as well. By law or legal obligation whatever God’s intent is working in, God must attach himself to it or he must influence that project with his nature. That means it’s going to grow, enlarge itself and reproduce itself in mass reproduction levels. That’s the nature of God, grow and grow and grow. He is big. In order to live in the Kingdom you too then must think big.

Stop thinking small about what God has given you vision for! You must tap into God’s same quality of thinking by placing a royal demand on his unlimited nature within. By doing so, you can draw from his unlimited thought space and create momentous thought patterns without limitations. Consequently you will live out of that same paradigm expecting nothing but generous amounts of blessing and breakthrough as you are successfully leveraging God’s thoughts to create the life you desire and want. This is Kingdom building, building according to the thoughts, patterns, intent, and original vision God has for your life. We call it being a “destiny

Blueprint University – Master’s Guide

builder.” The Kingdom of God is actually God’s intent for all mankind to live out of. It is His will being manifested in your everyday life. That “will” is your best life and ability to succeed beyond all limits and normal capacities. You must establish this as a platform of thinking and begin building your business or vision according to this unlimited pattern.

Without God’s unlimited pattern influencing how we think, we become subject to false theory and misconceptions about the Kingdom in us along with what we are truly capable of accomplishing now. We must uncover these misconceptions and dismantle erroneous thought patterns and ideas we have toward the Kingdom’s tangible existence inside and its ability to impact our lives now.

You see, right now you are in a place of extreme influence and power. You are seated at the right hand of God in Heavenly realms. This means right now you hold a position of power and mass influence through your spiritual ranking in the Kingdom of God. You must create and establish an awareness of this power position at all times. At any moment you can draw from your Heavenly authority to supersede any word spoken about you, to claim any contract you desire, or to purchase any real estate property you want.

You are in a position of power. The Kingdom comes by position, but not by physical posture, by a mental posturing. It’s a spiritual cleansing and reconditioning of thought that masters the “I am” principle. In this principle one understands that “now” is an important factor to making a difference with the Kingdom.

Now is the power, now is the glory and now is the Kingdom. In other words if you aren’t thinking that now God can change things you will never have a now experience tangibly take form in your life. The Kingdom is now, faith is now, and you can literally shift things now! Governing your thoughts with Kingdom insight and Kingdom building concepts will help create this unlimited paradigm of your power position. Understand major functions of kingdoms and how to operate will give you greater dominion in the earth.

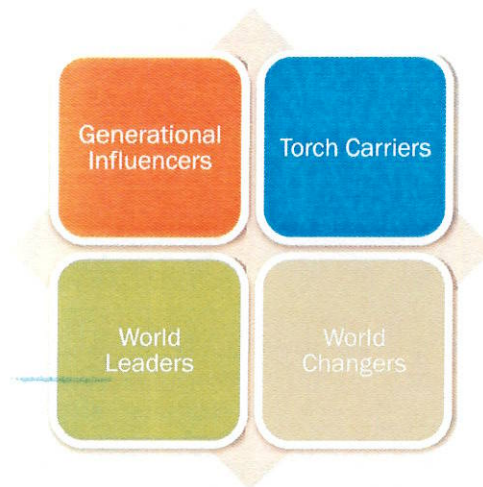

So, as we go forward we will be intentional in this lesson and others about learning kingdoms and how the Kingdom you received is the highest-ranking Kingdom the world has ever seen. Therefore you should have diplomatic immunity: You shouldn’t be affected by what’s going on in the economy or by what the world’s system is being impacted with. Why? You are a Heavenly Ambassador, a royal diplomat of the Kingdom of God; you cannot be subject to the laws of this country called earth. It is foreign territory, which means you have diplomatic immunity, and no matter what you are not subject to this fallen world’s systems, gas prices, financial crisis, etc. You are subject to the Kingdom reality, which is the Blessing of the Lord and it makes rich and adds no sorrow with it.

The question is: how are you going to allow this position of power to influence your life and those around you in your “sphere of influence?” How are you going to leverage this Kingdom position to tear down strongholds and build up new empires? It’s time to generate massive amounts of influence through your power position in Heaven, right now in the earth’s system.

Lesson 2 Curriculum

The 5 primary reasons the Kingdom “comes” is to:

1. **Generate massive amounts of influence:** The Kingdom is a superior spiritual launching pad designed to create and launch 4 types of people:
 - a. Generational influencers
 - b. Torch Carriers
 - c. World leaders
 - d. World Changers

a. Generation influencer: One who possesses the ability to plan generationally; a generational builder, so everything they set out to accomplish has a generational mandate or destiny attached

-Visionary vs. Leaders

- i. Visionary: Sees how the vision will look beyond themselves and into other generations
- ii. Leaders: Their vision ends with them.
- iii. Example: Martin Luther King “I have a dream” (or vision beyond himself.)

b. Torch Carrier: One who possesses a mantle; understands submission & authority, and operates in the spirit of intent and purpose.

- i. Intent and purpose is the Elijah mantle. John the Baptist had the “Spirit of Elijah” because he understood God’s intent, so he preached the Kingdom of God. Same message that expresses “the enforcement of God’s will, or intent and purpose.”
- ii. Torch Carriers are trailblazers. They know how to take an already effective method and build generationally but revamping or adding a new slant to it.
- iii. Example: Apostle Timothy. Paul encourages Timothy to take his mantle and his teaching and reproduce the same pattern in

Blueprint University – Master's Guide

others, but by stirring up his unique gifts and using them to establish that Kingdom message.

- c. **World leader:** Possesses the ability to communicate on all levels, therefore mastering the ability to adapt to any circumstance or culture and make a lasting impact in that place. "Be salt and light." (Matthew 5:13-16)
 - i. Example: Barack Obama
- e. **World Changer:** One who divinely impacts the world through mastering of gifts and potential to create a garden of influence that branches out beyond the world around them.
 - i. **Michael Jordan**

2. Reproduce after its own kind: Be fruitful

- a. Reproduce what? Sons of God, or mature thinkers in the Word and revelation able to reproduce the Kingdom mandate and paradigm in others. Influencers who teach others how to become people of influence through Kingdom principles.
- b. Successful reproduction creates successful "advancement" of the Kingdom of God.
- c. It takes an attitude to reproduce and enforce the will of Heaven. You need an attitude to reproduce and multiply. (Matthew 11:12)
 - i. *From the days of John the Baptist until now, the kingdom of heaven has been forcefully advancing, and forceful men lay hold of it. 'The violent take it by force'*
- d. God's blueprint must be perfectly invested into a person, place, or thing to reproduce his likeness or shape in that area.
 - i. The first territory God's wants to expand to or influence is the territory of man's heart.
 - ii. He then wants to take what he has reproduced in the man into the cycles and systems of this life.
 - iii. Massive influence in the Kingdom comes by leveraging inherent characteristics of God's nature, his blueprint, to change the destiny of any person, place or thing. God has a roadmap and plan; you must discover it and use it. It's built inside of you.

3. Enforce the will of God.

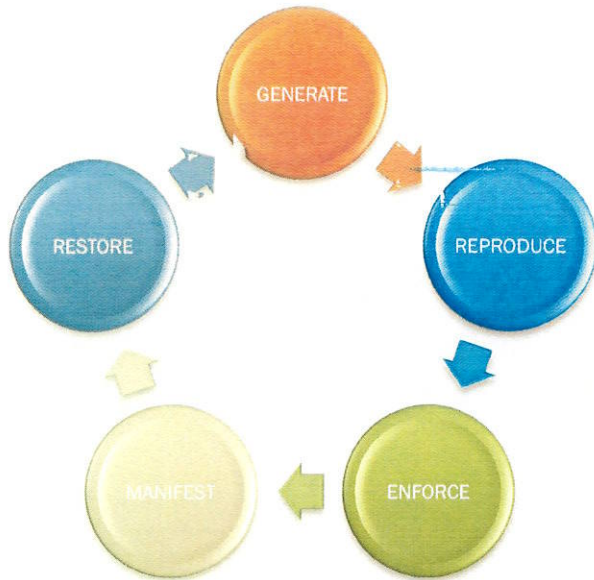

- a. "Force" is the attitude of takers; you must gain the attitude of world changers, leaders and influencers.
- b. The will of God encompasses His vision, intent, purpose, originating idea and design, power, and authority.
- c. The Kingdom of God is the manifested will of God functioning in every area of your life.
- d. If you want to function from your power seat, you need to understand or see into His perfect intent for anything.

4. To manifest the atmosphere of Heaven in a tangible expression for others to see.

Blueprint University – Master’s Guide

- a. The Kingdom of God is a divine impact on Human and Satanic systems that causes the eternal covenant purposes of God to manifest in every realm of this world.
- b. In order to influence this Babylonian world system, or any of its subsystems that exist within it, you must operate systematically; meaning you understand how kingdoms function, more specifically the kingdoms of this world and earth cursed system. Ask yourself: What are the spheres of influence that you are trying to influence?

5 Major Kingdom Purposes

5. To restore and establish divine order

a. You cannot have massive influence or “be fruitful” without becoming a person of real order.

i. Are you making sure the basic things in your life are in order before trying to walk in Kingdom order? In other words, if you cannot steward \$70 God isn’t going to entrust you with \$70 million because you aren’t a person of order.

ii. Disorder comes from the fallen nature and paradigm of Adam. Don’t allow disorder in your family, business, relationships, etc. All of these operate to a specific and divine order in

the Kingdom. It’s your job to find God’s divine order for things and reestablish Heavenly order to those areas by subduing them with the Word, prayer and confession.

iii. Disorder is bareness or lack of fruitfulness. Every barren woman in the bible represents Christ’s bride out of order and sequence with his will and thoughts. You must align with the Kingdom to have real reproduction, but this order and sequence begins with exercising real order in basic areas.

iv. Psalm 1:1-3, Trees are systems of order. In fact the correct terminology for roots is “root system.” The tree is a perfect picture of receiving order. Be fruitful with that order and reproducing that order as an instrument of influence.

b. Kingdom order comes by learning Kingdom systems. Kingdoms operate by orders, so if you want the Kingdom to manifest you must surrender your life to the orders of Jesus’ internal kingship. In other words: the Kingdom is within you. That means in order to have Kingdom influence you must become encarnalized by the will, intent and supreme order or ways that flow from God’s lifestyle as a result of His spiritual paradigm.

Blueprint University – Master's Guide

- i. You have no influence until you take what you have been given to the market place.
- ii. A gift opens the way for the giver and ushers him into the presence of the great (Proverbs 18:16). Until you take your gift to the marketplace you have no real influence.
- iii. **The rule of the Garden:** Your sphere of influence
 1. Mastering your gifts: master and grow your garden
 - a. Mastery is the ability to make finer distinctions.
 - b. The “garden” God gives every man is his/her own potential sphere of influence. You must water that garden, cultivate and grow it. This means mastering your gifts and intrinsic talents.
 - c. Your sphere of influence encompasses two levels:
 - i. Personal sphere: people around you, family, friends, residence, etc.
 - ii. Marketplace: the 7 spheres of influence that run this earth's systems:
 1. Government
 2. Family
 3. Church/Religion
 4. Media/technology
 5. Arts/Entertainment
 6. Business
 7. Education
 - iii. Mastery in your gifts lead to mastery in your personal sphere of influence which always spills into influence in marketplace spheres.
 2. Fruitfulness comes when we steward and master our spiritual resources so that they turn into physical (financial) resources.
 3. **To discover your gift there are 4 questions:**
 - a. What comes easier to you that comes harder to others?
 - b. What could you see yourself doing forever and never getting paid for it?
 - c. If time and money were not a factor what would you be doing right now with your life?
 - d. Who's gift inspires you the most?
 - e. These answers will help you discover your gifts.
 4. Master your dominant gift first. The four previous questions will help you discover your gifts and excel in your purpose, however there is always 1 main talent and from there other minor gifts begin to emerge. Minor gifts bring in more money than major gifts. Major gifts are given to create fulfillment, minor gifts are given to create

income and lifestyle. Don't try to master a minor gift before dominant ones. That won't fulfill you. The dominant gift "opens doors" and places you in "greatness."

- a. Example: Curtis "50 Cent" Jackson is a well-known rapper/recording artist. That is his major or dominant gift. However not many people realize that he owns a movie production company, writes music for other artists, owns real estate, and a book publishing company in which he has written several books and published other authors. These are all minor gifts that actually create bigger income streams than rapping. His dominant gifts opened the door and placed him before great people and his minor gifts are creating his lifestyle.
5. The King's dimension:
- a. **A king is defined as: one who possesses preeminence in any class or field.**
 - b. Modern day Kings:
 - i. Michael Jordan: King of basketball
 - ii. Michael Jackson: King of pop
 - iii. Aretha Franklin: Queen of soul
 - iv. Tiger Woods: King of the "green"
 - c. The world understands these terms well, but the church is behind. We can't keep "getting our praise on" when there is no marketplace influence there. We must go to the marketplace with mastery in every area and sphere of influence. That's how we take the world with the Kingdom.
 - i. Salt vs. Light: Just become your environment but don't lose saltiness. Salt changes form into liquid but can still be tasted. Light has 3 forms: you can hear, feel and see it. That is how the Kingdom works. We should be branching out of the church into mainstream markets with influence by the masses.
 - ii. We take the world through those 7 spheres of influence. Mastering our Garden so that it spills over into all 7 marketplaces arenas.
 - iii. Locate your personal Garden and marketplace Gardens. It is possible to fit into more than one marketplace sphere. Your prayers should revolve around

asking God for influence in your respected field.

- d. Kings possess an area of dominance no matter what it is. Statistics show that 10,000 hours of training are required to acquire the mastery level in any profession or field. This means there must be time investment in order to master the skill, trade or gift within you.

6. 4 Principles for mastering gifts

- a. Become a slave to your gift
 - i. This means you allow the gift to push you into intense training and mastery. If you are a singer, when the song comes to you at 3 am, get up and write! That’s allowing your gift to master you. Please note that you must allow your gift to master you before you can master it.
- b. Invest into your gifts
- c. Find someone who is already good at it and watch them, take notes, examine, study, and regurgitate until you become great too. Time is important, don’t be lazy if you are an aspiring author; set aside 20 minutes a day to write, study and learn more about writing books. “Give and it shall be given to you pressed down shaken together and running over.” Anything you give to gives back, your gift is one of those things. That isn’t just about money. Giving God money will never make you rich if you are deceived. He didn’t give us money, he gave us gifts, which are one of the forms of Kingdom currency. Give time to the songwriting and it will give back a record deal, concerts and a lifestyle! Running over!
- d. Find professional help. Who can mentor you? Find a mentor, someone already succeeding on that level. Be relentless and pursue them for guidance. Ask God to send you a mentor in your respected area or field of desired mastery.
 - iv. Generational influencers are marketplace thinkers. How can I leverage this gift or talent to gain marketplace influence?
 - v. You must ask God: show me how to become a marketplace influencer by mastering my gifts and talents.
- c. Again a true Kingdom Christian or citizen is one who has become encarnalized by the Kingdom message. You cannot manifest the Kingdom in an outward expression until you are living according to it yourself internally.

Blueprint University – Master's Guide

- d. Christ sits and desires to rule from the governing seat of your heart to manifest his thoughts and intentions as paradigm levels you gravitate to and live out of.
 - i. Christ is the seed that keeps on reproducing. You have to be a seed that reproduces. This means you must die to something to bear much fruit.
 1. Die to old ways of thinking: position yourself to receive new revelation
 2. Die to your vision or become subject to your vision
 3. Die to your gift or let your gift enslave you: Become a slave to your gift, master it and sharpen it and then take it to the marketplace. “He who desires to be greatest must become a servant of all.” (Mark 9:35) It isn't about people, as much as it is about serving. If you want to be great at anything become servant to it first.
 - ii. To have influence in the marketplace you must know what God has called you to. You must clearly define every season and the core things you are focused on. Remember that “tree” or system of divine order bears fruit in seasons. That means this person understands seasons so whatever he puts his hand to in the right season prospers or he thrives, which means to excel beyond all limits without boundary or measure.
 1. **What are the 3 things that matter most to you this season?**
 - a. You need to know because you must ask to receive. That means ask specifically, intelligently with meaning and purpose to accomplish something. What are you focused on this season?
 - b. Is it the season and time for those things?
 2. **If you don't know what matters most to you this season you will waste time knocking on doors that aren't open.**
 - a. Always ask what matters most when choosing relationships and making important decisions; this is operating in divine order every season
 - b. Always ask what is the intent of this relationship, business or any pursuit in every season.
 3. **Prepared to be cut away to be fruitful. God must prune the branches on that tree. Cutting implies accuracy, which means mastery. God wants divine mastery in our talents, gifts and decision making in order to enforce our power seat or power position more effectively for real divine influence and impact.**
 - a. Master a healthy thought life by examining things you believe that don't line up with the Word.

WE SEE THE PROPHETIC

Confront those toxic thoughts with the Word and press delete on them.

Master cutting of bad relationships that aren't investing or pushing you towards dreams. The #1 muddier of all destinies is bad relationships

Master your daily confession and speaking clearly and articulating the word of God and what you're expecting God to do.

Do your best to present yourself to God as one approved, a workman who does not need to be ashamed and who correctly handles the word of truth. 2 Timothy 2:15. This literally means, "to cut with a straight stroke." Are you mastering the word and your gifts?

- e. Cutting also means covenant in Hebrew so God wants to know what you are going to tie yourself to this season because if it isn't in his divine order it will fail.

1. Mastering the art of living: Keys for empowering your Heavenly influence.

a. MASTERING LIFE & PERSONAL HUMAN KINGDOMS

b. WHAT IS KINGDOM INFLUENCE?

- i. The reproduction of God's DNA in any person, place, or environment. EX: GOD CREATES ADAM IN HIS IMAGE (DNA) (Genesis 1:26-31)

- 1. God's DNA is his ideas, beliefs, principles, and purpose. Adam was endowed with that, and as a result all of creation modeled him. When we recover this mantle the earth will again begin to conform to our words and thoughts.

- 2. The foremost territory God desires to influence is man's heart; then He wants man to take His heart (will and principles) to the marketplace.

- ii. The will, intent and purpose of God being expressed in any person place or environment. EX: JOSEPH PROSPERS IN POTIPHAR'S HOUSE (Genesis 39)

- 1. Joseph manifested God's will, even as a slave in the Chief Guard's house, which was order, punctuality, consistency and follow through. As a result, whatever he did prospered and it caused him to rule over a pagan king's business, family and finances. Joseph was free to exercise God's intent with the Guards' possessions.

- c. Divine impact and enforcement of God's covenant purpose and plan in any system or sphere of the earth

- i. DANIEL INFLUENCES BABYLONIAN GOVERNMENT (Daniel 2)

Blueprint University – Master’s Guide

1. Daniel’s wisdom and understanding positioned him to become the Chief ruler and decision maker in the Kingdom. He was the main enforcer of law and now was able to dictate the operations of the government, (language, culture, business) based on God’s intent for the country.
- d. Impacting the marketplace with Kingdom principles.
- i. EX: Joseph became the largest exporter of grain by obeying prophecy. (GENESIS 41)
 1. Now the world’s marketplace and culture are subject to Joseph because he has the power over food. Food is a major cultural component, and using his gift of prophecy he was able to make a righteous decision that positioned him to rule the kingdom and master over agriculture of the entire kingdom.
 - ii. EX: Patricia Heaton, Actress: Most known for her role as the Wife, Debra, on the award winning sitcom “Everyone Love Raymond.”
 1. Patricia is a devout believer that held to her Kingdom principles and values not to do crude comedy on that show, which influenced the overall morality of that sitcom.
 2. She also founded “Thou Shalt Laugh” a Christian based comedy tour that travels the world doing positive uplifting stand ups. This tour and initiative opened the door greatly for Christian comedians and is now a fast growing genre of comedy for families that desire wholesome clean comedy.
- e. CAN YOU THINK OF ANY OTHER INDIVIDUALS TODAY WITH MASSIVE KINGDOM INFLUENCE?
- i. ARE YOU READY TO BEGIN RULING ON GOD’S BEHALF IN THE EARTH’S SYSTEMS?
- f. **Master the 3 core areas of life: FAITH, EMOTIONS, RELATIONSHIPS**
- g. If individuals only master gifts, but not their own life, they will fail at life. These 3 areas are the core of managing decisions and resources. Any actor, athlete or star that was gifted but crashed careers, failed in 1 of these 3 areas. Must balance these areas to ensure total victory and balanced living in the world’s chaotic systems and environments.
- i. Faith
 1. Actualize your ability to win at anything
 - a. Many people have gifts, and talent but can’t seem to make themselves believe they are gifted enough to compete in the market. These people’s talent will go dormant and underused.
 - b. You must build confidence daily in your spirit about what you’re called to do.

Blueprint University - Master's Guide

- ii. Relationships
 - 1. Align your circle of influence with your purpose and intent
 - a. If one doesn't manage relationships, his gifts and faith will still be overshadowed by bad choices made through the influence of bad company.
- iii. Emotions
 - 1. Gain emotional balance by examining thoughts and words with the word of God.
 - a. The general focus here is learning God's perception of emotions, their purpose and how to manage them effectively to avoid emotional decision making and reactions that can cost us great opportunity and Blessing.
 - b. Learn to raise your emotional IQ through the Word and challenging thoughts and feelings that contradict faith & God's promises.
- h. **Master 5 basic Kingdoms of the human genre so that we can "prosper" or "thrive" with excellence.**
 - i. Societal Kingdom
 - 1. Resources, food, employment, finances, family, health.
 - ii. Physiological Kingdom
 - 1. Food, sleep, water, exercise
 - iii. Relational Kingdom
 - 1. Marriage, family, friendships, professional, oppositional (enemies)
 - iv. Emotional Kingdom
 - 1. Confidence, need for approval, self-respect, boldness, courage
 - v. Subconscious Kingdom
 - 1. Decision making process, reactions, tendencies, driving factors
- i. Each kingdom is co-existent; therefore they are relational to each other, not hierarchal. This means at any given time when one of these kingdoms is not in order our life is missing or out of place; therefore we fail to experience its fullness as God intended.
 - i. Though kingdoms function in hierarchies, it is important to understand that some function relationally. The Kingdom of God comes to restore order to how these areas of our lives function according to the Word. We can be the most gifted individuals in the world but influence will fade if we only master gifts and fail to master life.

1. Other power position principles:

The Kingdom Factor: Position of Power

“And God raised us up with Christ and seated us with him in the heavenly realms in Christ Jesus.”

- **A government seat- Kaleo**, a royal calling or appointment into a cabinet position in God’s royal Kingdom.
- **The constant psychological awareness of the internal existence of God’s Kingdom and royal authority you possess as a lawmaker and power figure in God’s royal senate.**
- **The Kingdom factor is** that mental paradigm of where you’re from mixed with the understanding of **Diplomatic Immunity:**
 - **Daniel 1**

2. Power Position:

A Chinese concept: the Power Position or "Dragon Seat" is the physical position in the room for a business meeting, which supposedly has the most power. The person in this position can see all entrances to the room, and they are seated against a wall, or other structure, so that no activity occurs behind them. This makes them the focus of attention to all persons present.

- In the Kingdom you have this same seat. God promises in Isaiah 42, to show you things before they happen so nothing goes on behind your back. Your future is behind you in Hebrew, not in front. You need to actualize the power position to walk in real dominion in your job and professional environments.

3. In a power position in the Kingdom you gain God’s conceptual worldview and begin to view life from His elevated positioning. You have no blind spots.
