**SUPERNATURAL LAWS OF THE KINGDOM: UNDERSTANDING  
DIVINE ELEMENTAL FORCE**

---

**Focal Point:** *The Kingdom of Heaven is a spiritual law body made up of superior principles and laws that govern and supersede any capacity of life. The supernatural laws of life (Eden world system) have set me free from the spiritual laws of death (cursed world system). - Romans 8:1-2*

**Required readings:**

*The Blueprint*

- Chapter 3
- Chapter 4

**Overview:**

In this transformational training and lecture, we will discover the secrets to tapping into the Kingdom by activating and exercising divine laws. Heaven is a government body as well as a country that functions by its own supernatural law system. In order to clearly understand how tapping into these supernatural laws that exist works and can accelerate everyday living, we must take a look at the laws of gravity vs. the laws of lift. Gravity is a law that pulls the mass of objects to itself, and lift is a law that can supersede gravity by leveraging its pressure to create a massive acceleration force in an upward direction.

Every Kingdom operates by laws, whether satanic or Heavenly. Whether natural orders and Kingdoms or worldly government systems and kingdoms, they all have a system of laws that govern their functions. In the Kingdom of God it is the same way. The spirit world operates by laws that are unseen, but they’ve existed since before the creation of the earth and the seen world. In fact the bible says that what is seen has been made from what is unseen, which means the idea and principle of supernatural law didn’t originate with this earth or with man, it began with God in the spiritual world.

Every supernatural law is like a key, preexisting before time, and when accessed can open doors and create manifestation. The operation of spiritual law is mysterious and has been often misunderstood, overlooked and discredited. However, the same way we expect gravity to work when we get up and step foot outside is the same way we should expect the spiritual laws that govern the Kingdom to work when proper force is placed on them.

Whenever Jesus did a miracle, he worked those same spiritual laws of governing the Kingdom of God, and the results were the same wherever he went. If he applied the law of healing, it worked. Whenever he applied the law of faith, it

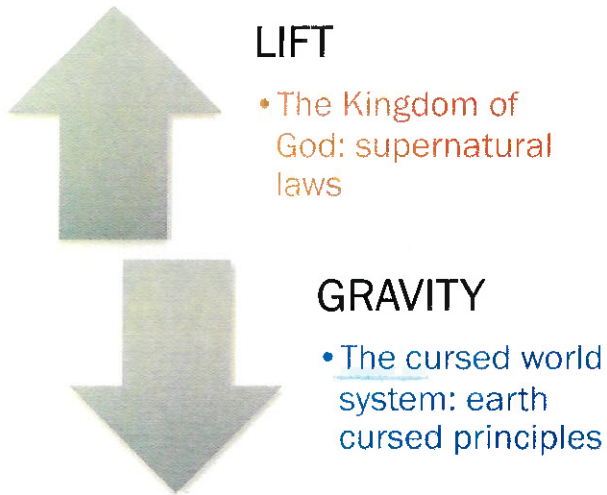

## Blueprint University – Master's Guide

worked. When he applied the law of confession it worked as well. Jesus was always manifesting the Kingdom because its door was open to him, because he had the keys to manifestation. It is important that we understand the spiritual laws that govern our heavenly system if we are going to live and operate in it. Keep in mind you are in a very special kingdom. It is a spiritual kingdom so you need to learn how spiritual laws work to manifest it properly. You should be able to apply spiritual law at all times to work for you and not have to work it out yourself. Spiritual laws are in place to take the sweat out of living. Remember the curse brings sweat, but the Blessing, God's supernatural Kingdom, operates by preset laws that when accessed can attract and draw to you exactly what you desire. Laws attract; that is what they do. It is no different in the Kingdom of God. Prepare to get the keys you have been waiting for, to take the sweat out of living and add the joy and peace of unlimited provision in God's House.

LESSON 3 CURRICULUM

**1. Spiritual lift vs. spiritual gravity**

- a. Both major spiritual kingdoms operate by spiritual laws that are like gravity vs. lift, the same concept. The satanic kingdom is also known as the “cursed world system” which means his kingdom is like gravity existing to pull down and keep you from attaining your power seat perspective or high position of thinking. It exists to keep you from understanding the Kingdom of God and from creating a kingdom paradigm shift.

**b. THE WRIGHT BROTHERS CONCEPT**

These brothers set out to create an airplane and defied every law of gravity simply by discovering a higher law that preexisted. That’s what we are doing with the Kingdom: praying to tap into preexistent spiritual laws that can bring us real breakthrough.

- c. The power to supersede any cursed world law is in your hands. Sickness,

debt, lack, etc. all have no rights to you because you are from a different country and your laws are higher. You are leveraging spiritual laws (wine) to influence your physical reality (bread) so that you can live superior to life’s issues and crises on a daily basis.

**2. Bread and Wine: Living supernaturally.**

- a. Even though Joseph was in prison, he was about to step into the blessing and access the blessing with the bread and the wine.
- b. He was about to access the fullness of his inheritance. Why? He is one of the first people that we see access the double portion. The baker had dominion over the bread and the cupbearer had dominion over the wine. This is the earth with the bread and the wine. And this was while he was in prison. See, it does not matter where you are, the spiritual laws of the Kingdom work! Repeat: “I am coming into a time in my life where I will walk in both dimensions.” Christ did not die so that I could just get a finger of him; He died so that I could get his whole body. And the Bible says that the fullness of God is in me. In Ephesians it says that when we come into the knowledge of the Son of God that the fullness of Christ will be in us. And in Christ is the fullness of God. So then He says that “he thought it not robbery to be counted

## Blueprint University – Master’s Guide

equal with God.” You should not think it robbery to be equal with Christ.

3. We talked about offices, roles, assignments, and functions—we need to understand these and how they relate to being part of the church today. My assignment is to take you so far out of logic and common reasonable living that you now understand that the purpose of the Kingdom entering your life is so that you live so far outside of the world’s system that whenever you do something, folks say “what are you doing?” What did God say that ever made sense to you in the Bible? —things like raise your staff and part the sea? This is because everything that God did, He was speaking out of a realm of “no limitations”. Everything in this Bible that is written is God breathed. It is written in faith. You cannot add reason to anything that is written in there, or you are adding your own doctrine.

- a. There are no “buts” or “what ifs” in the Word of God. Everything that I will read in there is Kingdom Law. So we want the unreasonable to become reasonable. And you need to understand that if you don’t believe that you are a King and that the Kingdom is real, this won’t matter—then this message will not make any difference in your life. I am trying to tell you that this is not illusive ideology or metaphorical terminology. You need to understand this—I have a Kingdom. And He wants me to possess both sides of the Kingdom blessing.
- b. Now, how do I do this? It has to be by law. Some people do not understand law, not even in their own state or country. The law gives you rights and responsibilities. But not knowing the law does not negate the reality of the law.
  - i. That is why you can have two people in the Kingdom—and one is aware of Kingdom law and the other one is not. They can be at the same place and at the same time, but they are thinking diametrically opposed to one another. So the one who gets it will receive more in their life than the other person. Everything in the Kingdom and everything in the earth functions by law. Everything in my body functions by law. Everything functions by law. When Jesus was walking on the water, He did this by law. This is because nothing moves God except law. **Tears and emotions do not move God**; this is because He is a King.

#### 4. RIGHT ALIGNMENT WITH THE LAW:

- a. He only looks at law—are you in alignment with divine law? Because when you get in alignment with supernatural law, you will be just, & you will be righteous. Righteousness is when I am in right alignment with the law and with the King—this means spiritually and physically. Now I can be calling out and screaming out to God all I want, but if I am not in alignment with the law, He will not move.

#### 5. CONSISTENCY:

- a. Now God had a choice to either make Himself subject to the law or not to make Himself subject to the law. And He made Himself subject to the law because His Kingdom functions by order. I will not find a

## Blueprint University – Master's Guide

merry-go-round to take me anywhere in life. No, I will have to get serious about using this law-book and bring consistency into my life.

b. There are two kinds of law. There is spiritual law and there is natural law. Romans 8:1-2-----

c. Supernatural law has been here waiting to be tapped into.

### 6. YOU HAVE BEEN MARKED WITH A SEAL: Ephesians 1

a. God sent someone here to teach us this spiritual law and His name is the Holy Spirit. He is the Holy Governor—the Royal Seal. Here is why He is called that: “and you were included in Christ when you heard the Word of Truth—the Word of God—the Gospel of my salvation. Having believed, I was marked by Him with a SEAL”. YOU were marked with a seal. Now this says, having believed, I was marked with a seal. This is important. This is very important. I was marked with a seal. Who is this seal?—the promised Holy Spirit, who is a deposit guaranteeing our inheritance. Now, not only the inheritance—but—it says until the redemption. So we are talking about eternity too. This is spiritual blessings. Of those who are God’s possession—to the Praise of His Glory. A seal. Every government has a seal.

b. I want to give you some truths about the Holy Governor—the Holy Spirit. He is a person—you need to understand this. He is not a wind. He is not a dove. He is gentle like a dove, but not a dove. He is a person. He has feelings. He has desires. His desire is the “will of God”. The Holy Spirit has full governing authority over my heart. Nobody else on earth has a more complex (important) job than the Holy Spirit. He was here in the beginning.

i. Where was He? He was hovering over the waters. (Gen. 1) He was chilling. So you need to understand that **EARTH WAS ALWAYS HIS ASSIGNMENT.**

c. Earth was always His assignment, even when Jesus came, earth was always the Holy Spirit’s assignment. He is the Chief Ambassador of the extension of heaven’s rule in the earth. He is the only God-agent functioning in the earth. He is the only one.

i. You need to see why this is important. We try to jump past Him and just talk to Jesus. I do not want to confuse anybody. As far as I am concerned—the Holy Spirit is Jesus.

d. You have to understand that if He is the SEAL GUARANTEEING—then I have to remember the scripture concerning the inheritance. Everything that was promised—you are not getting it—unless you tap into the Holy Governor— the Seal. He is a seal. Everything that preceded that statement is null and void to me if I do not understand the Holy Spirit. So He is a person.

i. In Luke 22 it says that He descended upon Jesus like a dove IN BODILY FORM. What does this mean? What did John see?

e. HE (JOHN THE BAPTIST) SAW ANOTHER PERSON COME INTO THE PERSON who was standing there. And it descended like a dove, but he saw another person coming into Him. Now someone may say that He was full of the Holy Spirit and this is right. But, when you receive the

## Blueprint University – Master’s Guide

Holy Spirit—this is not the same time that the Holy Spirit is released. These are two different things. This is because the Holy Spirit cannot be released without a revelation.

- i. Now a lot of people had the Holy Ghost and they think that He is released, but He is not. This is because we are not letting Him do what He is supposed to do. The reason that I am saying this is because this means that He has an office. He has assignments. He has functions. He has a role. If He is the deposit guaranteeing the inheritance, then everything that I am going to get from God is predicated upon my relationship with Him. It is predicated upon my understanding of His assignment. This is because if I do not understand His assignment—then I will be trying to do His job.
- f. A lot of people are frustrated in “Christianity”, because they are trying to do the Holy Spirit’s assignment—instead of doing there’s. This is why we are trying to testify so much about Jesus. But this is not my assignment—this is the Holy Spirit’s assignment. But Jesus told them—“the Holy Spirit will remind you of everything that I told you—and He will testify of me”. So what is my assignment? Preach the Kingdom.
  - i. Now, people are frustrated, because they are preaching Jesus, but they are not preaching the Kingdom. Because the Holy Spirit is the one who preaches Jesus. This is because I cannot get a revelation of Jesus—the Holy Spirit has to give me the revelation of Jesus. So why would I take the time to do someone else’s assignment?
- g. The body of Christ needs to understand that this is why they are hurting because they do not understand assignments. Now, some people think that it cannot be this deep, but it is.
  - i. (my personal story) I will tell you the first time that I figured this out. When I saw this, I got on my knees and I spoke to the Holy Spirit and I said “I apologize, because I was trying to do your job—and I do not know what my job is”. And I cried and about 3:00 in the morning I woke up—and there was a shape of a man in front of me. It was the Holy Spirit talking to me. And what woke me up was wind. Excessive wind kept blowing on my face. And it was him. And I said “God forgive me”. He said “don’t worry about it son, you understand now, so let’s get the job done”. Everything that God does in the earth is through the Holy Spirit. He is constantly available. He is the fullness of Christ and Christ is the fullness of God. The Holy Spirit is the one who manifests the complete unhindered government of Christ in my heart. He does this through revelation knowledge. He is a personal trainer. He is my spiritual advisor. He is my counselor.

### **7. THE SEAL:**

- a. Nobody can create a seal without impression. When they make a seal, they impress on the surface of something. And when they made seals, the seal would bind together both sides of a scroll. You could not open

the scroll without breaking the seal. You could not see what was in the scroll without tampering with the seal. So if the people have issued a decree to a family and it said that the government was going to award them \$2.5 million, they had to break the seal first to access the money. But he seals it in a scroll that means that even though the King has done this, until they can get to the seal, they cannot possess the inheritance that was given to them. Now this seal is impressed. You cannot break the seal. If the seal is broken, that lets them know that someone has been messing with it. The purpose of the seal is to bind two things together. But not only that, it is to represent an official government document. In order for you to access anything in the Kingdom, it is going to be because of that seal.

#### 8. AUTHORIZATION:

- a. **The seal is authorization.** When God looks at me, He wants to see an impression. This is what the Holy Spirit did to Jesus. The Holy Spirit came down and impressed Him. And right before that, He got into the water, but He had to be baptized by John. He had to be immersed. He had to be dipped into the water. Now when He talked to John and He said, "I want to be baptized". John said "this doesn't make sense". And Jesus said "it is necessary to fulfill all righteousness". All righteousness.
  - i. Why did He say that? Now John knows about the law. He knows about the physical law of God, but he doesn't know about the spiritual law yet. When Jesus said "it is necessary to fulfill all righteousness", it was suggested to John—there are some laws that you do not know yet.
- b. **Now I have got to come and fulfill every single law.** Now one of these laws is my submission to the Holy Spirit. But understand that He was not released FULLY Into Jesus' life until Jesus submitted His ministry to who was already there. See that? This bothers people. Let me help you understand something. Jesus was not the first person to preach the Kingdom on earth. John the Baptist was.
  - i. Why? Because it says that from birth, he shall be filled with—the Holy Spirit.
- c. **Even though Jesus is King, He has to show us---ORDER AND HOW THE KINGDOM FUNCTIONS.** So he has to be the King, but He has to function out of a Sonship dimension because He is our expression of our submission to the Holy Governor. After He did that, it says then God spoke from heaven and said "this is my Son, whom I approve". Now understand, Jesus has the Holy Spirit. But He has to show me something now. It was not until He got sealed that God said "I approve". This is the definition of "fulfill"—"to approve". He said "now go preach". And right after that, John the Baptist lost his head. And then Jesus began to preach the Kingdom. It says that He preached the same message as His predecessor. John the Baptist only preached the Kingdom. He comes to John the Baptist. Now He is

going to show us what this looks like. So John the Baptist dips Him. Because it was necessary to fulfill all righteousness.

- i. There was a law that John the Baptist did not know about. And Jesus was going to show it to John the Baptist. After he does that, God speaks and says “I approve”. Then He seals Him. John the Baptist loses his head. And it says then from that time, it says that Christ began to preach the same message as John the Baptist. I am trying to show you now—that the church (we) are preaching the wrong message.
- d. **If it was the Gospel of Jesus Christ, then Jesus would have preached the Gospel of Jesus Christ. He preached the Gospel of the Kingdom, because this is what John preached. More so, it was righteousness being fulfilled---the laws of Sonship. And it is not until you get dipped or immersed in the Holy Spirit that God says “you are sealed and I approve”. This is not just when we believe. The fact that God approves is when you get dipped, immersed into the Law of the Kingdom of God. See, something has to happen—the only person who is teaching you (me) this law is the Holy Spirit. Now, you cannot tell me that you understand Kingdom Law and how all the laws of the Kingdom function, when you do not have a serious relationship with the Holy Spirit. Because every key to kingdom inheritance comes through the Holy Spirit. He is the seal.**
- e. Just keep the seal in your spirit. Because that seal is going to bind and unite, but it is going to approve as an official government document.
- f. Now, in the Old Testament, there were two seals or clasps on the priest’s shoulder. It says to seal the nation of the six tribes of Israel and seal the other six there. He said “in memorial of Jacob. So in looking at the names, it was not to remember the sons, it was to remember “Jacob”.
- g. This is the law of remembrance. God only wants to see the person that He made the covenant with. He sealed on their shoulder—that is where the garment comes together. It is upon His shoulders. That is why it says that the Government was upon His shoulders. He is talking about the Holy Spirit.

**9. Divine LAW:**

- a. **Supernatural law activates everything that I need. Everything that I need, everything that I am believing for, the law brings it to me. Now be patient with this teaching. Now, Jesus makes a statement to His disciples. He said “I am going to give you the keys to the Kingdom.**

**10. KEYS TO THE KINGDOM:**

- a. **Keys. Keys are what give you access to divine doors through supernatural laws. They are authorization.**
- b. **AUTHORITY: So Jesus said, “I am going to give you authority to access laws. Authority to access laws---THROUGH THE SEAL---THE IMPRESSION.....and I APPROVE.....**

## Blueprint University – Master’s Guide

- c. **ACCESS: This is my access---into all of the laws.** This is an impression; actually, it is like a seal that I put on that everything that is in me, I am going to seal it on you. This is why He descended in bodily form. Everything that was in God was impressed into Jesus. When the Holy Spirit comes upon Him, everything that was in Christ is impressed into me. This is the fullness.

### 11. **THE IMPRESSION:**

- a. This impression is everything that I will ever need to access anything that I need in my life. This means abundant life, prosperity, blessing, healing—this was impressed into me. Remember what I said earlier—this is not so much about “how to gain” as it is to accessing what we already have. When He said that He filled you, you were not of like faith. Now this is impressed in me.

### 12. **BLUEPRINT:**

- a. It is like a blueprint. That impression is the Image of God.
- b. **THE IMAGE OF GOD IN YOUR LIFE: This Image of God is all of the laws.** It is all of His creativity, technology, and creative ingenuity. He impressed it on me. Now, in the beginning, God had a great idea. He said “I want to create man in my Image”. I want that impression of me in the earth. So He put Adam there. Adam not only had dominion in the spiritual blessing, but he had dominion in the physical blessing. And life was so good that he did not even know what sweat was. This is because he was living out of the impression.—that Image—that blueprint—that pattern.
- c. This is the Kingdom of God. The Holy Spirit impressed me with a seal—**GIVING ME ACCESS TO EVERYTHING THAT I WILL EVER NEED. SO I DO NOT HAVE TO SAY “GOD WILL YOU GIVE ME ANYMORE”.** I do not have to ask God “will you do it anymore”. I do not have to ask God to turn it around anymore. All this is religious terminology. This bears no fruit in the body of believers. This is because everything that God is ever going to do—**HE ALREADY DID IT.**
  - i. **HE IMPRESSED ME AND GAVE ME AUTHORIZATION TO ENTER THE FULLNESS OF GOD.** God did such a good job of transferring His ability to me that after six days, He sat down and rested.
- d. Why is this important? Because nowhere in the Bible does it say that He ever got up again. And when Jesus got done “He said, now you sit down and I am about to make earth your footstool. You sit down. This is what God wants in our life. He wants us to sit down. Remember when He got ready to multiply the bread, He told them to sit down. This is not hard, it is law. When HE preached out of a dimension, some people feel like there is so much that they do not have. But He impressed everything. —
  - i. The keys to the kingdom. It wasn’t like that was the Hand of God.

## Blueprint University – Master’s Guide

- ii. Christ showed up in bodily form and He stepped into my life and transformed to my everything. And that seal gives me authorization to access whatever is in the Kingdom of God.

### **13. THE FUNCTION:**

- a. So now why is this not working in my life? It is not working because of something called divine, supernatural law. Supernatural law is important and plays an intricate role in one’s manifestation of real Kingdom activity. Now when I told you about that impression—that Image—that system. We call it the Kingdom in the New Testament. The Kingdom is the BLESSING RESTORED. THAT IS WHAT HE PUT ON ADAM. He said “I am going to impress my image—and in doing so, it says—and then HE BLESSED HIM. This is because the Blessing was the thing that He put on Adam.
- b. **THE KINGDOM FUNCTIONS IN FOUR WAYS:**
  - i. Systems
  - ii. Order
  - iii. Laws
  - iv. Functions/Roles

### **14. TRANSFORMATION:**

- a. Now we have to get people to understand that we were given this (ginormous) system. We are responsible for operating this in our lives. This is why we (the church) are supposed to teach the Kingdom. If we just keep saying “Jesus saved you” and do not preach the Kingdom, then we are waiting for Jesus to do it for us. This teaching is all about mentality. You are only one mentality shift away from stepping into a new season.
- b. This is because when transformation happens to thought, something dies. And now you can no longer live in that bed. Now you can only live in the new revelation. You cannot just try this, you must see this. Now we are trying to kill an idea. When we just keep preaching Jesus, we are still acting as though Jesus has not already done it. Now listen to what Romans says. “Don’t say who shall go into the depths—for that is to bring Christ down”. And then it says, “Who shall ascend?—for that is to raise Christ up”. But I benefit from both see. I benefited from Him dying—this got me spiritual and eternal blessing. But I benefit from Him being up—from rising up from the dead—because this is ascension power. This is my power to rule and reign in this earth. But if I say “who will do it for me?” this is what He is talking about. You lose the benefit of Him dying and you lose the benefit of Him rising. He rose to give me the power. So what does the Word say? He says “don’t say—
- c. He says “don’t think like that. Because you are losing the benefit of His death and the ascension. What does it say? He says “my mouth is in my heart”. And by faith—I am righteous. Systems, laws, order and functions. I am going to talk about supernatural laws. Spiritual Laws make everything work.

- i. The purpose of divine law is to take the labor out of my work. I am trying to get you to understand that He has plans for my life. HE HAS ALREADY BLESSED ME. HE IS ABOUT TO BRING THINGS TO PASS IN MY LIFE THAT I WILL NOT BE ABLE TO EXPLAIN. That is His thought. He says that this is all I think about is prospering you. God does not ever think badly about you. Now I will tell you why this is important.
  - B. This is because you cannot live in the Kingdom under condemnation. You will never think that you are good enough to get anything that He has for you. So God disciplines Himself to never think bad about you. This is what the Bible says.
- ii. He says I am only thinking about how to prosper you. Then we think about “logos” the word. This is the “original” idea that inspired creation. He says “I am still looking at the vision that I had when I made you. What they call impossible is law. Law is making invariable consequences of applied principles designed to hold together the function of any system. Law says that under certain conditions, the result is always the same. I do not control law. Law controls itself. When we tap into the law of healing—we are not doing the healing ourselves—the law is.

**15. ACTIVATION:**

- a. When I tap into the supernatural law of prosperity---I am not making myself prosperous---that law is. The purpose of law is so that once I activate it---it starts operating on its own. NOW I AM GOING TO SHOW YOU WHY HE IMPRESSED YOU AND HE GAVE EVERYTHING TO YOU.

**16. MECHANICS:** Now, let’s look at some mechanics of law. Law can be active or it can be inactive. But law does not change. Law does not cease to exist. Law is always there. Gravity is always here. No matter what I do, gravity is always functioning. I need you to get this. It doesn’t matter if it is physics, science, spiritual or physical law. Law is unchanging.

**a. APPLIED FORCE TO A LAW:**

- i. Now, law can be active or inactive. This is depending upon the force that is applied to it. Every law has got to have force applied to it. If there is no force applied to a law, it doesn’t work. You can have all of the impression OF THE HOLY SPIRIT, but if you don’t know how to use His machine—nothing is going to work for you.
- ii. **SIMPLE----EASY:** This is simple. This is EASY LIVING. When I buy an apple laptop, if I do not apply force to the start button—I will never benefit from anything in that computer. I am saying to you that the way that computer is made—it functions the same way every single time. This is the law. See that? As long as I keep it charged up, as long as I push that button—that law is always going to work the same. It will never change.

## Blueprint University – Master’s Guide

- iii. **BINDING OR LOSING:** A law can be active or inactive. It can have force applied, or it can be dormant. This depends upon the force that you put on it. This means to bind or loose. He said to them “I am giving you keys”. This is access to laws. When He said bind and loose—these are governmental terms. These are legal terms.
- iv. **ENFORCING OR NEGATING THE POWER OF A LAW:** This is the power to—enforce a law—or the power to make a law inactive. **BIND MEANS TO ESTABLISH A LAW AND ITS OBLIGATIONS TO MAKE IT ACTIVE.**
- v. **LOOSE MEANS TO DESTROY A LAW OR INSTITUTION OF LAW—TO LOOSEN IT—NOT TO MAKE IT NON-CONSISTENT—BUT TO MAKE IT INACTIVE.**

### **17. THE BLOOD OF JESUS CHRIST:**

- a. But he spills the Blood on you to automatically make you righteous. Now, because the law of the **BLOOD SAYS THAT YOU ARE RIGHTEOUS**, when you don’t live up to it at times, you are still righteous—because you are functioning in a **HIGHER LAW**.
- b. Now all God is trying to get me to do—is to apply a **HIGHER LAW TO MY LIFE**.
- c. **FINDING AND USING THE SUPERIOR LAW:** **ALL LAW MUST HAVE FORCE APPLIED.** The law of lift was not non-existent. It was dormant until the Wright Brothers put force on it. And they had to build something that would put the right force on **LIFT** to prove law. They proved that gravity was not the superior law. So lift was not non-existent—it was inactive. **THIS WAS BECAUSE NO ONE WAS PUTTING FORCE ON IT.**
- d. **Invariable consequences:**
  - i. Whatever sign or miracle that Jesus performed—it was simply a matter of a greater law superseding an inferior law. This is it. Now, I do not have to be aware that I am using the law—because this is not one of the stipulations for making a law work. This is why some people accidentally get some things going. But, they cannot create consistency, because they do not know how the law functions. See, Peter fell into that law on the boat. And what happened? Immediately his financial situation changed. He just fell into the law of prosperity, because he tapped into the law of faith—he got under a **HIGHER LAW**. And everything that he had said up to that point—we can’t—we can’t get a load —we have done this all night. Automatically, this became inactive when Christ spoke. Look—a **HIGHER LAW GOVERNS** his situation and all of a sudden everything had to change. But the problem is that if I do not know how to use this —then I cannot create consistency in my life.
    - 1. **Why?** Because one of the principles of law is that you always have to use it. – Continuous force has to be

applied for Kingdom law to work in my life. The moment that I pick up this bottle I am actively applying a law; the moment that I put it down, it is inactive.

e. **DECLARING THE WORD:**

i. Some people declare the Word every now and then. AND THEN THEY WONDER WHY IT WORKS ONLY NOW AND THEN. People declare the Blessing only now and then. You must decree the Word day and night for these spiritual laws to work in your life. This is because divine law has to be activated everyday in your life. You need to know how the law functions and then you will be able to stop bad things from happening in your life, because the blessing will be activated in your life every day. So you can be right in the Presence of God and you can know that God is about to do something in your life, but we may not know exactly how to tap into this blessing.

1. We need to know the full purpose of what God is doing, so that we can make the blessing continually happen in our life. This is why I need to understand law. I cannot think that God is just going to do something and it will be done. Now, I realize that God has put everything in place. Now I need to understand that the things that are not manifesting in my life are a result of inactivity.

**18. SEEK FIRST THE KINGDOM AND ITS RIGHTEOUSNESS:**

a. **THIS IS spiritual LAW.** And He said “everything will be added to me”. He can make a statement like this, because, every time that Jesus would put force on a law, what would happen? It worked every time. Not one time did He try to heal somebody and He would say “oops, it did not work for your today”. Law does not do this. If you are not tapping into law, and you are not activating law, it will not function in your life.

b. **Now, there are three major laws.....**

- i. **THE LAW OF THE FLESH**
- ii. **THE LAW OF PHYSICS**
- iii. **THE LAW OF THE SPIRIT**

c. **THE LAW OF THE SPIRIT/Supernatural law**

i. The spirit. The Spirit is the HIGHEST LAW FUNCTIONING IN THE ENTIRE WORLD. But the only way for me to tap into the LAW OF THE SPIRIT IS BY BREAKING INTO SOMETHING CALLED “FAITH”.

d. **THE LAW OF FAITH:**

i. Faith is the HIGHEST LAW THAT EXISTS IN THE KINGDOM OF GOD. THIS IS THE PROGENITOR OF ALL LAW. In other words, no other law, no matter how much revelation that I have of it—will ever work IF I DO NOT KNOW HOW TO APPLY FAITH IT. Spiritual laws will only operate by faith. This is because they are unseen. I only need faith for what I cannot see. I do not need faith for what I can see. Spiritual laws only operate by faith,

because spiritual things are unseen. I do not need faith to function in the law of gravity. Why? Because I can see it. I do not need faith to function in this body. Why? Because I can see it.

- A. What messes people up is that they cannot see the Kingdom. And because they cannot see the Kingdom, they have trouble believing that it actually exists. A person can listen to thousands of hours of Kingdom teaching, but if you do not think that you can lay hold of it—you will have an issue with living in it and accessing its laws and its fruit. It took the disciples several years before it started clicking for them that the government is real. And that it is the HIGHEST AUTHORITY THAT EXISTS.
- B. Now I am telling you that for anything that you need—it can be a job, it can be a financial increase, it can be debt reduction. IF YOU APPLY THE LAW OF FAITH—whatever is said has to submit to whatever you said. It is not magic—it is law.
- C. God is not moved by emotion—He is moved by law. Law is already here. It was built into creation. Laws are always existent, but they are not always active. Everything that was created functions by law to God. God was not made or created, but He exists. And He chose to place Himself under HIS ROYAL LAW. SO THIS MEANS THAT EVERYTHING THAT I EVER WANT GOD TO DO—IT HAS TO FUNCTION BY THE LAW OF FAITH.
- D. IF I EVER WANT TO RECEIVE ANYTHING FROM GOD---It's to be BY ME SAYING IT. Now, once I have tapped into the law of faith, whatever I believe for will be added to me. IT WILL COME TO ME. AND I WILL NOT PRAY AGAIN ABOUT IT. I will not roll around in my bed at night crying. I will not fast for forty days. I will simply exercise a preexistent spiritual law that is already in place and it will COME TO ME. EVERYTHING MADE, CREATED, AND EXISTED FUNCTIONS BY LAW. I MUST LEARN TO FUNCTION IN LAWS THAT ALREADY EXIST. AND ONCE I HAVE TAPPED INTO IT —IT WORKS ON ITS OWN. The important thing about the fig tree was that Jesus left it and came back. And when He came back, what He said had caused the tree to uproot itself. Jesus did not have to push the tree. He did not stand there and keep screaming at the tree. He tapped into the law of faith and the law of confession. And the law did the work. This is the reason that there is no sweat, toil or labor. The reason that He left is because He knew that the supernatural law was working on its own. And when

He came back later with his disciples they said “how did you do that?” How did this happen? Now, pay attention to what He said—“if you have faith—if you can tap into the LAW OF FAITH—YOU CAN UPROOT A MOUNTAIN AND CAST IT OUT. He did not change the law, He just changed the object. He said if you use this principle that I used on the fig tree, it will work on your mountain. He said “IF YOU USE THE SAME LAW THAT I DID—WHAT I DID FOR THE FIG TREE HAS TO WORK FOR A MOUNTAIN.....

**19. RESPONSIBILITY:** There is no law either GOOD or BAD that comes into my life that I have not put force on. This means whether it is sub-consciously or consciously. When they talked to Him about the fig tree, He dealt with something called the law of asking, but nowhere in that happening did Jesus say “Lord, please remove this tree.” But He said, “whatever you ask for in prayer”. But nowhere in the passage does He say, “Lord please do this for me”. In fact, nowhere when Jesus does a miracle does He say “God will you do this?”

- a. When they handed Him the bread, He blessed it, and every law that was functioning in the Pre-fall Adamic system, kicked in and started activating over that breaking of the fish. The fish changed systems just like that.
- b. Now, he doesn’t ever ask God to do anything, but to his disciples, HE says “whatever you ask for—in prayer”. Whatever you ask for—where? —in prayer. What Jesus was telling them was—what he was functioning at the tree was what was happening as a result of what was in prayer. This RIGHT HERE WILL CHANGE YOUR LIFE. What happened was He had already talked to God about the tree in prayer. So when He got to the tree, He automatically knew that He had received it. Now watch, He said—whatsoever you ask for—you will receive
  - i. God will give it to you, but right here in Matthew, it says—you will receive. He did not say might—He said you WILL. Now we read that to say that at the moment that you believed, that is when God does it, but that is not what He is saying.

**20. THE LANGUAGE OF LAW:**

- a. He is talking in the language of law here. HE IS SAYING---IF YOU BELIEVE---IT IS AUTOMATIC---YOU WILL RECEIVE. In other words, if you can say it, if you have faith, you will receive. It doesn’t have to be in my ear. I do not have to see it. You do not have to get up in it and drive home.
- b. If I have faith, I will receive it. It is free. Now, when I get to the tree, I will only talk about what I already received. When Jesus went to lay hands on the sick, He would spend five hours in prayer so that He could be in the Spirit. This was all ironed out with the King, so that when He got in front of people, it was not some crazy stuff: He just said “be healed”. And everyone who believed got healed. This is because

law does not discriminate. Law does not know my age. All law knows is if the right force is being put on it.

- c. There are people who are getting rich and are rich off of Kingdom law, even though they are not saved. This is because the law is not discriminatory. It cannot be. This is because the nature of divine law is unchanging.
- d. The centurion did not have a revelation of Jesus as the Son of God. But He said, “I understand law”. He said, “when I say for someone to come and go—they come and they go”. He said “so if you have dominion over sicknesses. You can tell it to go and it has to go. In fact, his law dictated that Jesus was a King and the centurion understood law. So when Jesus said “let me go into your house”—the centurion simply said “you do not have to do that”. This is because he knew that the law was going to do it on its own. He just said “listen, I understand law and how it works. The law is going to work on its own. So when Jesus released to Word for healing, these words became law and they had to have the power to work on their own. Like with the fig tree, the centurion could leave and come back and the sickness would be gone on its own. “When I say “go” I don’t worry about, I know it is going to work on its own because I have dominion”.
- e. **CONFESSION GIVES THE LAW PERMISSION TO WORK:**
  - i. **We have dominion.** If it works for your Kingdom, it will work for me. It will work every time on its own. So he said you don’t need to come to my house, it is the law that works on its own anyway. And my confession gives this law permission to be active in my life. (My personal story): I would get up in the morning and call a specific dollar amount that the Lord had showed me. Before the day was over, the dollar amount would come. And this was not exactly about me.
  - ii. The law is not about the person. Once you get prosperous, the law will not turn around and say that you got too much prosperity. All that the law knows is that you keep tapping and tapping again and again.....and tapping and tapping in. You will never hear the law say “you have healed enough people”. All the law knows is that you keep tapping in and tapping in. This is why there were no limits when Jesus was functioning in the Kingdom in the earth.
  - iii. **Spiritual law was designed so that you could live your life above limitations.** But this is the truth; you are limited to what you do not know. So He says “you perish from lack of knowledge”. So when we come to the fullness---- this is the fullness of knowledge of the Son of God.
  - iv. **His laws**
  - v. **His principles**
  - vi. **His way of life:** When we come into the fullness of this, understand, we will walk in the fullness of Christ. Once these

Apostles had tapped into law and into the Kingdom Law, they were running over gates. They were healing people with their shadows. Why did this happen? They were simply FUNCTIONING BY DIVINE LAW. The person who teaches them how to do this—is the Holy Governor. I am saying that when He came on me—that I was impressed with every law, with every system, with every philosophy, with every principle. All He is trying to do is to get a revelation over to you (inside of you). Most people do not realize that Adam is a perfect example of what it looks like to really walk in revelation knowledge. He was fully aware of what had been impressed into him, so there was no limitation on his life. The reason that there are no limitations to God is because He has not thought of any.

- f. **The only way that you are going to get results is if you put force on something that was lying dormant.** It is inactive, because you are not keying it. He is teaching us how to use spiritual law and how to function in spiritual law. Now this is simple— law is always going to remain dormant until the right force is put on it. Until some force is applied, it is inactive in my life. God is only moved when you come in binding with that law. And when you come into the law of faith—this is how you contact God. Anything that you say, pray, or do outside of faith is not toward God. And this is why you are not getting results, because you are praying to someone who can do nothing for you. So I do not care how hysterical that you get, it will not matter. You can be as hysterical as the Syrophoenician woman, but if you do not understand how to communicate with God, He will turn around. Look what He did to the Syrophoenician woman. What did He do? He turned around. This is what I am saying. The reason that He was asleep on the boat, even though they were hysterical because the boat was about to tip over, He was still asleep. And it was so bad, that they thought that they were about to perish. And He still rested, it does not matter how hysterical you get. Law will sit there until you apply action to it. He could not get up. He got up because He did not want them to die, but then He rebuked them for being in fear and not having faith. But what is the first thing He started talking to them about when He got up?
- g. **NEWTON’S LAW:**
  - i. For every action, there is an equal and opposite reaction. When you put force on a law, this force of the law pushes back on you. This means that I did not do it, the law did that. I am not righteous on my own, the law made me righteous. He shed His BLOOD, and that made me righteous. I am saying the prosperity, the abundance of our Kingdom life, is dependent upon our revelation of our Holy Governor. He wants me to have victory in the laws. He wants to immerse my mind to understand how to activate the laws. There is one thing about this—once I activate it one time, it should work every single

time. God is not the problem.....and till this is preached...the church will say “who will go to the depths for us?” and “who is going to ascend for us?” Until we get this revelation, we will never realize that He did both for us. I need both sides of the blessing. I am not asking you to do anything, but if this is what is coming out of your mouth—then in my heart—I don’t think that this is done. You are voiding the law instantly whenever you try to access it. You never ask for that tree to be removed, -you just exercise the law. Because whatever you ask in prayer—He fills it right there—I got it. When He got to the tree, He functioned in the law.

**Other important points and keys to living out Kingdom law:**

- When Jesus taught us the Lord’s Prayer, the first thing that He did was say “Our Father who are in heaven, hallowed by thy name. Thy Kingdom come, thy will be done— “being done” means active. Activate the word in your life. He said “I cannot even pray for you, because you have not even activated the law in your life”. Prayer is a function of supernatural law. Whatever I ask for in prayer—I will receive (invariable consequence)—if I do not doubt. This means that I have faith for this to work every time in my life. You must be in faith.
  - Start praying for strategy. If you want your life to change, you have to start asking for strategy. This all starts with it being nothing about me and all about my relationship with the Holy Governor, because I know that if I can get this law to be activated, it will work for me every time. All if need to be asking God about is law. Teaching me His Kingdom and His law. I have to spend time with Him and with the law. He wants to immerse me. I promise that once you break into this, it will always work in your life.
1. **Sowing and reaping is a law.** It must have force applied all the time, not just now and then. You have to do it all the time. Before I did this, I was not getting harvests. Get this in me. Meditate on this. We have to teach Kingdom laws.
    - a. Jesus said “verily verily I say unto you.” This means this will sound too good to be true, but I promise you that it is the truth. Whatever I ask for, I can have. It is that good.
  2. **FUNCTIONING IN PRAYER:**
    - a. I still need to know how to function in that prayer. MY PRAYER WILL BE GOD, PLEASE BRING ME INTO ALIGNMENT WITH YOUR KINGDOM AND IT’S RIGHTEOUSNESS. BECAUSE YOU CAN SAY SOMETHING, BUT WHEN YOU SAY IT WITH A DIFFERENT REVELATION, THAT IS WHEN THE HOLY GHOST BECOMES A NEW PERSON TO ME. THAT IS WHEN HE RESPONDS TO ME. That’s when the laws of the Kingdom will attract to me what I say and whatever I will.
