

❖ LESSON 7 ❖

ADAMNOMICS III: THE WINEMAKER’S MANTLE

Focal Point: *The purpose of the Wine is to activate the covenants so that you can operate in the bread or the material blessing. So it is wine released before bread. Wine is superior to bread and so is the system God has given his children. Yet both systems function totally separate, but work together to manifest God’s government or produce the fruit of His royal inheritance. When you are eating His bread and drinking His wine, you have complete understanding of what the Kingdom of God is and how to supernaturally supersede the laws of life with it. You are now seated at the King’s table, eating the same diet and manifesting the same behaviors.*

Required reading: Genesis 14

Suggestive Reading:

- *The Blueprint*: Chapter 1
- 2 Samuel 9:1-13

Overview: In this interactive lesson, we will link the bread and wine together, but prove the value of wine over bread. This will be the close of the Adamnomics series, so we will draw from Adam’s life again to show how to the Kingdom of God is regained through man’s revelation of Christ’s redemptive work (the blood = wine) on the cross, releasing accessing back into the entire royal estate as God’s beneficiaries to his contract. You are in the King’s courts and it is time to eat from the King’s table.

LESSON 7 CURRICULUM

I. THE WINE REVEALED: Let us look at the “the winemaker’s mantle.” This is the place where revelation concerning spiritual order and tangible reaping converge.

3. **TOTAL RECOVERY:** Now, watch what happens—the King of Salem brought out bread and wine. This represents the two sides to the blessing we spoke about earlier. Again, the bread is the material blessing and the wine is the spiritual blessing. The King of Blessing comes out—this is Melchizedek, the King of Peace—the King of shalom—of prosperity, and it says that He blessed Abram. What happened here? This is what God was talking about when he told Abraham “I will bless you”. So up to this point, Abram had not been functioning in the Blessing. Now that he’s in the place of King’s and receiving the inheritance, he is now accessing the double portion—Melchizedek put the bread on Abraham and then he put the wine on him. Strategically thought, God allowed Abraham to manifest the bread, because the wine could not be released until Jesus showed up. This is because Christ was going to release dominion over our life that was going to allow us to access the spiritual blessing along with the material blessings.

- a. Christ’s blood had not been shed; therefore there was no new “wine” for the new covenant. That is why when Jesus came the first miracle he performed was turning “WATER INTO WINE.” This meant that now Jesus was bringing the spiritual order of the Kingdom back to rule and restoring the pre-fall Adamic order by unleashing the spiritual covenant of Heaven with man into earth again.
- b. It means that now a new covenant was going to be formed; it is was a metaphor of his mission statement, he came so that the blood could fully release the entire Blessing of the pre-fall Adamic system. So Abraham gives him a tenth and Abraham says “I cannot even accept the thread from a thong from you (King of Sodom) because then you will say that it was your system that made me rich. Who will say this? This is Satan who will say this. This is Satan who will say this to God. He will say “I can take that from him because he did not get this from your system God.”

- i. Why do you think it is that God allowed Satan to take all of Job’s physical stuff? It says that after Job went through all this, then God blessed him. And it says that he had double of what he had before—this is the double portion blessing. It also says that Job confessed “the thing I feared the most came upon me.” He also prayed, “teach me to hold my tongue (language).” Again language is one of the 3 main cultural blocks in cultural influence, so if you are speaking fear and rehearsing fear, the Babylonian Kingdom has the right to come in and cause havoc because you have taken a shoelace or thread from it. Master your words, thoughts and values so that there is no trace of Babylon ruling in any sphere or area of your life.

- c. **CHOOSE:** Now understand that there is no living “in between” these two systems. You will be either under one system or the other. The Word says that you cannot serve two Gods and that you cannot serve God and mammon. Understand this, it

is impossible to manifest the fullness of Christ’s Blessing when you do have not been detoxed of all the religion or the foolishness or the impoverished thinking.

2. **Spiritual Blessing:** *So we see that Abraham is prospering physically. Ephesians 1:3—“Praise be to the God and Father of our Lord Jesus Christ, who has blessed us in the heavenly realms with every spiritual blessing in Christ.”* Spiritual Blessings. Now, why did Paul say that we only got blessed with the spiritual blessings? I had heard this taught for so long. I grew up being taught this meant God’s word is only spiritual and the church is spiritual so we only have spiritual blessing. But this cannot be the case because Melchizedek, priest of the Most High God blessed Abraham, with Bread and Wine. And when Jesus showed up at the Lord’s Supper, He said, “as often as you do this (break this bread, and drink this wine) you are in the new covenant, the double inheritance.) If you will look, this is the same blessing that He (Melchizedek) put on Abraham. So why would Paul only tell us, that I only got blessed in spiritual realms.
 - a. To examine this further, let’s look at Adam. When Adam gave up his Kingdom, to Satan, he did not just give up dominion in the Kingdom of God. He gave up dominion in everything else and over every other Kingdom, let me explain.
 - b. To further show this, our world is made up of nothing but Kingdoms, as mentioned in previous lessons, spiritual Kingdoms and material Kingdoms. According to Ephesians 1:3, we are seated in the “Heavenly” spiritual Kingdoms.
3. Now, let us just for this moment deal with the term “heavenly realms”. The word heavenly here is “Celestial”. This means that this is the highest heaven. And there are three dimensions to the heavens. Beyond that: systems of the world, earth, which are the animal kingdom, the marine kingdom—the water. Then there is the human kingdom, all of which are systems that were put in place for order.
 - a. Note that every time in Genesis chapter one, notice that God put a system in place and (then) He blessed it. (Then) He told it to multiply and increase. He did not tell it to have dominion, because this is what He was doing for man. Now, when man shows up, God blesses him and says “I want you to take dominion”. Then you see God go back up over all the fish that are in the waters, over all the birds in the air. He says I want you to take dominion over everything that I have created. Notice that Kingdom by Kingdom, system by system, realm by realm. Now you need to notice this—Christ showed up, He released the spiritual blessing—the heavenly, the celestial blessings.
 - i. It is important to understand this now, because when Melchizedek came to Abraham, He said to him—“possessor of heaven and earth.” Now watch this. Paul says God has blessed us in heavenly realms. Notice this; the spiritual blessings were not released until the later Jesus and the Wine). And the physical blessings were released first (material Abraham).
 - ii. This means the spiritual Kingdom is last but supreme to all that preceded its release. It means though it was introduced first, it became last and more superior. So we see now that when God creates something last, it is ALL-INCLUSIVE. Notice that it does not

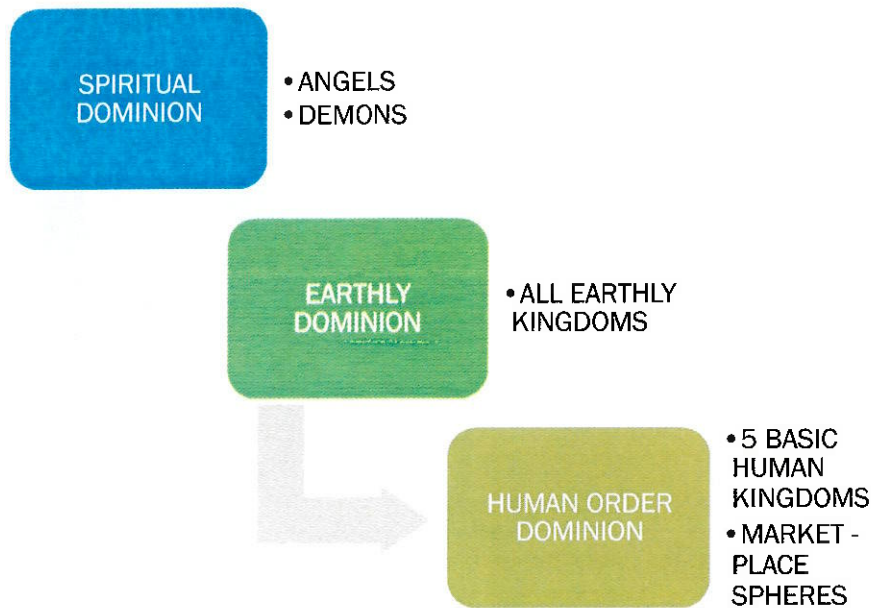

Blueprint University – Master's Guide

mean that I only have dominion in this area. It means that I have dominion in everything that preceded me. Whatever came before me in the earth I am automatically more superior than it. So when Adam gave up his authority in the Kingdom of heaven, he gave up dominion in every other kingdom, atmosphere, planets, humans etc..

- b. **DOMINION:** So it is important to be clear: I not only get the blessings in heaven, but I get the blessings of everything else that came with it. This is the law of DOMINION. I am not only superior to what God has given me now; I am superior to everything that ever came before me. **REMEMBER:** The first is last and the last is first, chief, highest. What I am saying is, when Paul said, that the Lord “blessed” us in heavenly realms with spiritual blessings, I need you to understand that he was not just saying that all you got was spiritual blessings, he was speaking out of the law of DOMINION. This meant that when you got the spiritual blessing you automatically got access to the material blessing, **THAT IS BY FAITH**.
- c. **PIECE BY PIECE (DOUGH)** Understand this, Remember Jesus spoke to trees, walked on waters, commanded the seas, healed the sick, blessed and multiplied fish and much more. Piece by piece, like yeast working through a whole batch of dough, Jesus is showing us how to spherically take back dominion over life, one level at a time. Adam had given up dominion over every realm, so Christ is going to show up and put by dimension every realm back into order, because even though we get the blessing by default, this doesn't mean that it is accessible to us immediately. We have to work it, law by law, principle by principle.
 - i. **WHY IS THIS SO?** The reason that this is so is because we need revelation to receive this. If I give you something before you are ready for it, you will mess it up. Some folks cannot manage the spiritual blessings, let alone the physical blessings. So, when He says that He is giving you the spiritual blessings, that includes everything that preceded it.
- d. **EXAMPLE:** When Microsoft came out with Windows 2010 it would be superior to all other windows that came out before it. But it will include the functions of all of the other programs of previous years that they came out with. So when God gave you the spiritual blessing, it included the functions of every blessing that came before it, Praise God. Which means that the blessing of Abraham is on me and I have legal access (law) to it. When Paul says that you received spiritual blessing in heavenly realms, he is trying to get you to start thinking in dominion, and he is saying that if God gave you the spiritual blessings then you have dominion over everything that came before it. But you cannot live in what you do not know.

Blueprint University – Master’s Guide

ADAM’S DECLINE: DOMINION IS LOST IN THE KINGDOM

CHRIST INCLINE: DOMINION IS RECOVERED IN THE KINGDOM....

YOU HAVE TO RECLAIM THE BLESSING TO REACCESS SPIRITUAL ORDER AND THEN REESTABLISH ORDER IN THE EARTH SYSTEMS AND IN YOUR PERSONAL LIFE AND THE MARKETPLACE. THIS IS HOW YOU SPHERICALLY REESTABLISH THE ADAMIC BLESSING, IN LEVELS, REORDER YOUR LIFE BY THE BLESSING—KINGDOM ORDER.

4. **SWEATLESS VICTORY:** We are responsible for the results that we get out of our life. This is the same reason that we perish for lack of knowledge. Now the blessing is intended to take the sorrow and labor out of living. When

Blueprint University – Master’s Guide

ADAM aborted the blessing, he had taken in new fruit or “wine.” He subjected himself and his earthly dominion to a different culture. In fact, God told Adam, because you’ve done this you’ll work by “the sweat of your brow.” This refers to the bone, the arch that covers the eyeball. He said by the philosophical thinking of this system (cultural block), that is how you are going to get what you produce in life. See, He said that he would “sweat.” When God said this to Adam, that now he was going to sweat, that means that prior to this time, Adam did not know what sweat was. My point, anything that creates perspiration in your life doesn’t come from Blessing because it makes rich and adds no sorrow—sweat or laborious living. So, Adam did not know what sweat was until he entered the cursed world order.

5. FROM FRUIT INTO WINE: 12 POINTS FOR MAKING IT TANGIBLE.

1. Remember that the same mind of Christ is in you. And you have ranking and legal authority to roam in the mind of God. This will allow you to learn how God thinks.
2. Everything is written in the Word of God to get a key to you. If you want to know why the Word says what it says, it is to get a key to you to operate in the Kingdom of God.
3. Keys will allow you to operate in a greater dimension of the blessing. So the Bible is not there just to be entertaining, it is there to reveal a truth to you. The laying on of hands does not set you free; it is the truth that sets you free.
4. Let’s look at Hannah. The Word says that Hannah started crying, and then she said something to God. She said—God if you bless me with a son, I will give him to you. The word says that when Hannah said that, God remembered Hannah. Why is this so?—It was not Hannah that God remembered, it was Abraham, who He made the covenant with.
5. Look at this now—When Hannah started speaking a different language, Hannah got God’s attention...So one of the main things that hinders us from Kingdom manifestation are what are called language barriers.
6. Let us look at language barriers. Everything operates by sound. In fact the word “shine” which comes from the word “light” in Hebrew is phone—like telephone. Arise and “shine” for thy “light” has come. This word here is phone. Or you can read it, for a sound has come.
7. Let us look at speaking. Every time that something is said to you, it paints a mental picture in your mind. So now, when God gives you a word, it is because He wants to produce something that He wants you to see.
8. So every time that you change the sound that you are making, this is going to affect what you now see in your life.
9. So the new communication style that Hannah was making with God, this communication was on a covenant level. Watch this now—all of a sudden, God remembers Hannah.
10. Now, God gives Hannah a son, why? Because she said to God—if you give me a son, this is what I will do for you.
11. You need to understand, when Christ came campaigning his administration, it was an administration. It was not a religious movement, it was an administration. Hear me now, He said repent. “Re” means to do it again..... “Pent” means to be bound, or submitted to something. This subjects that you are submitted to something. But I am saying that you need to come from under that and submit to something else.

What? My kingdom. My kingdom is at hand. That means that it does not work just because I am the king.

12. It works when you get the thing in your hand. Watch what I am saying to you. If you are going to have a covenant relationship with God, you have to speak his language. The worst thing that I have found is to be in a relationship with somebody and you all do not speak the same language. Wow. This is barren. Nothing gets done, because they are saying one thing and you do not understand them, and you are saying something else, and they do not understand you. So change your sound barren woman.

GOD’S LAW OF REMEMBRANCE: UNLEASHING THE ABRAHMIC CODE: So it seems that whenever God remembered something, it was always dealing with covenants, mainly Abraham (Isaac and with Jacob.) It was always with Abraham, Isaac and Jacob he would refer to when making a covenant with Israel or remembering a covenant of Israel’s. Note this: these 3 are the only 3 people that He made a deal with; other covenants came from the original covenant with Abraham = Melchizedek order = Pre-fall Adamic. , It’s the original Blessing covenant.

1. God did not make a covenant with you specifically he made it with Abraham. Again, God did not make a covenant with you it is yours by faith and practical Kingdom principles being applied, however just claiming promises will not get you manifestation. If God made the contract with Abraham, then he must recognize us as Abraham’s seed in order to bless us. That is why Galatians 3:13 stresses that Christ became a curse so that the blessing of Abraham could come upon “all those who believe”. He did not make a covenant with you; he made it with Abraham = Jesus (in the order of Melchizedek), Jesus proved it by presenting bread and wine again, the same Blessing Melchizedek met Abraham with, this why Jesus said “*before Abraham was, I am*” . He is referring to his pre-incarnate form as Melchizedek. So that covenant has to be enforced through sons, because it is a will.
 - a. Really it is God’s will, he transferred it to man to experience his benefits along with Jesus. He gave it through a man, Abraham and Jesus came and released the same will, inheritance or mega-blessing, saying “Thy Kingdom come thy WILL be done.” This reactivated the Blessing to be enforced through man’s will, releasing the inheritance of God’s entire estate to planet earth once again for anyone to tap into by revelation.
2. **LOVE=GENERATIONAL BLESSING:** Deuteronomy 7:27—“*The Lord did not set his affection on you and choose you because you were more numerous than other peoples, for you were the fewest of all peoples. But it was because the Lord “loved” you and kept the oath He swore to my forefathers*”—who is this? Abraham, Isaac, and Jacob. Notice John 3:16, “God so loved the world that he gave his only son, that whoever believes will not perish but will “inherit” eternal life.” It meant, God remembered his covenant with man and so he sent “Abraham’s seed” as promised, the Christ, who could redeem that Blessing order and inheritance to man if they would have faith as Abraham, become sons and receive their total and full allotment in this life and the next. “*That He brought you out with a mighty hand and redeemed you from the power of Pharaoh, King of Egypt. Know therefore, that the Lord your God is God. He is the faithful God, keeping His covenant of Love to a thousand generations, and those who Love Him.*” This is because Faith Works By Love. So when you walk in

Blueprint University – Master’s Guide

faith, you remind God of Abraham. OR HIS COVENANT OF LOVE= BLESSING. So hear what I am saying. The Bible says that Abraham was the first person to believe God and He counted it to him as righteousness. So He says that a man is not made righteous by His works, but he is made righteous by faith. Therefore, the righteous shall live by faith alone. So when I get in faith, doubtless faith, real faith,——automatically, God does not see me anymore, He starts seeing Abraham, and the covenant that He made with him.

3. Really seeing Abraham he sees Jesus, the Bread and Wine who brings this whole system together. Because God is a God of covenant, He cannot justify giving you something that He did not make a covenant with you for. He cannot justify blessing me with something that He made a covenant with someone else for.
 - a. The only way for God to bless me with something that He made a covenant with someone else for is that I have got to be a part of that seed or that family. He is a God of covenant. Understand what He just said—why He said that—God is a faithful God. He is King. And this is how He operates. He operates with covenant. He keeps that covenant with a thousand generations and to those who love Him. Now, He cannot justify blessing me with what He promised to somebody else. He is not going to do it.
4. **EXAMPLE:** When the Syrophenician woman ran up to Him, and said my daughter is possessed with demons, it says “Christ turned his back to her.” He told her, I can’t give to the dogs what belongs to the children, “the children’s bread.” Bread is material blessing. In other words, you are not in the master’s house. You are not part of the family, you aren’t a son, you have no estate therefore you don’t have a part in this material covenant. Think about what Jesus said to her! And if she was an easily offended woman, she would have said, “what did you say to me?” She was ready for Jesus, she said, that even the dogs sit at the master’s table (catching the crumbs that fall from his mouth) and eat the crumbs.
 - a. When she made this statement the Bible says that Jesus was “impressed.” What is important to understand is she has an understanding of sitting at the table with the King. That’s the King’s banquet or royal feast, or the “Lord’s supper,” same thing. She understands Bread and Wine, covenant and inheritance. Now, let us go further, because she is really trying to call Jesus to remembrance of a covenant made by his father, King David to Mephiboseth, Saul’s grandson:
 - i. *[David asked, “Is there anyone still left of the house of Saul to whom I can show kindness for Jonathan’s sake?”...Ziba answered the king, “There is still a son of Jonathan; he is lame in both feet.... When Mephiboseth son of Jonathan, the son of Saul, came to David, he bowed down to pay him honor.... Don’t be afraid,” David said to him, “for I will surely show you kindness for the sake of your father Jonathan. I will restore to you all the land that belonged to your grandfather Saul, and you will always eat at my table.”Mephiboseth bowed down and said, “What is your servant, that you should notice a dead dog like me.... Mephiboseth had a young son named Mika, and all the members of Ziba’s household were servants of Mephiboseth....And Mephiboseth lived in Jerusalem, because he always ate at the king’s table; he was lame in both feet.]* (2 Samuel 9:1-13)

Blueprint University – Master’s Guide

- b. Notice, Mephiboseth considered himself a DOG but David told him that he will EAT FROM HIS TABLE all the days of his life. The Serophinycian wasn’t afraid, and recalled to Jesus this covenant David made with Jonathan’s son, “even the dogs can eat from the master’s table, even the outsiders have a stake in the inheritance if they come bowing.” That is why Jesus was impressed because she called him to remembrance and he kept this covenant. Not only with her but also to us who believe. This is why David wrote: “all my days I have never seen the righteous forsaken nor his seed begging for bread.” When you are at the King’s table, you don’t beg for “bread”, you simply ask that someone pass it to you. You are at the table, you are a son, and you have a royal estate and inheritance, stop begging and start taking what you want.
- c. CLARITY: So why is it, that when she started talking to Him, He turned away? Isn’t this just like God? It seems when we try to turn spiritual things into physical manifestation, he turns away. Money in particular, it seems that it is harder to prosper financially, why? Why do people pray for money and are still struggling to pay bills. Why is that Christians aren’t out of debt? This is because He did not make the covenant with you, He made it with Abraham you have to learn the principles so that God recognizes you as a son of Abraham through your faith and practical application of His word, this will work. But the Bible says when she started saying, I am in the Master’s house, He said you have great faith. And when He saw her faith, He did not see her ANY more; He saw Abraham, Isaac, and Jacob. So she got the blessing. SO HE ENDED BY SAYING “WOMAN YOUR FAITH (LOVE=COVENANT=ACCESS TO INHERITANCE) HAS MADE YOU WHOLE= SHALOM=BLESSING. Jesus literally said you’re activating the law of faith has qualified you to receive the blessing or shalom because through faith God’s recognizes us a sons of Abraham, and legitimate beneficiaries to his contract to prosper us in the earth as well as Heaven.
- i. The law of remembrance—is not God’s memory, but it is His accountability to a time where He did something for someone and promised it to them. But in God’s mind, He is now going to say to me, how do you deserve it? And if I cannot tell Him how I deserve it then I am Jacob and I’m going to have to wrestle with Laban until I get this revelation. See, Jacob wrestled with Laban, because he did not obtain the blessing by natural birthright.
 - ii. We have the blessing, but we did not get it by natural birthright. When it does not come to you by natural birthright, you work harder to release it. Because unconsciously, you made a contract with Laban. And Laban, the devil is saying to God, he got that under my system.
 - iii. But God is saying, shut up devil, is this not a branch that I snatched from the flame? A branch = engrafting = adoption. God is saying are we not adopted sons. We then were born in like Israel we need more revelation to tap into the physical manifestations.
 - iv. **THE CYCLE:** Jacob had to wrestle with Laban, because he did not understand, even though it says he stole Esau’s blessing, he did not have a blessing. Some say, yes, he had a blessing. No. This is why the angel blessed him in the forest. What do you mean? How did he get his stuff? How did he get it? Just like his dad did. What did he do? He lied

Blueprint University – Master’s Guide

to his father. And for fear of his brother, he ran—this is the same system. I need you to understand this now. Where fear is—lying, manipulation, whatever you get and it is not through integrity—you did not get it through the blessing and it will cost you. One of the things that release the blessing in your life is integrity.

d. Now, I am like the Syrophenician woman. I’ll be a dog, if a dog is a dog, but as long as the dog is sitting at the Master’s table, I tell you the truth, many shall come from the north, the south, the east and the west and sit at the “feasting table” of the fathers: Abraham, Isaac and Jacob in the Kingdom of God. Jesus said he would eat or drink again until it had fulfillment or was completely understood in the Kingdom of God. Pay attention, because this is scripture. I’m sitting on Christ’s lap, even if I am a dog, I am sitting at the table, but I’m on his lap sharing the seat, that’s why it says we are “raised and seated with Christ in Heavenly places” Ephesians 2:6.

i. You are a possessor of Heaven and earth. Just let the devil know that your answer is no, less you say your system has made me rich, I will not take a thread, a word, a philosophy, value or language system, you will not influence me. But when I get this thing, I am giving it to the Lord, because it is not mine, it belongs to God. See, you have got to stop calling it yours. Because if I call it mine, I am responsible for it. But when I call it His, He is obligated to take care of it. Why? Because when you are part of the Kingdom, the King has to fund every diplomatic mission. This is the difference between the Apostolic and the Kingdom. Everybody thinks that they are the same thing.

- But the Apostolic and the Kingdom are two separate functions. The Kingdom is the governmental system that rules Heaven. The Apostolic is the Foreign Affairs dimension of the government that deals with the influence of Heaven in the earth.
- It is an apostolic church. It’s a church that is sent to influence foreign territory. Whenever a government sends an ambassador out on a diplomatic mission, he doesn’t pay for anything.
- So I wrestled with releasing both sides, because, really, the covenant was never made with me. But I have legal access to it through the Blood of Jesus by faith.
- So He shows up with the Bread and the Wine, and He says, I am going to wine and dine my people. I am going to bless them with the spiritual things, but I am also releasing the physical covenant to them also.
- But this will only be if you get a revelation. When you get a revelation, it changes how you see things, and it changes how you think. It will even change the way that you talk.
- When you sit at the table, you eat what Jesus eats and drink what he drinks. You’re totally detoxed of the Babylonian diet (culture). At this level you can begin to communicate with God on a level where He does not see you He sees who he made the promise with that you are quoting. In other words, through faith you can become any person you need to become to access any blessing. That’s why Romans 8:30 says, we have to “conform to the likeness of the son.” Before we manifest this blessing we have to become Jesus, or part of Jesus’ DNA and that’s what faith does. So then God has the responsibility to be accountable to his covenant with that person because I have conformed by faith to be a beneficiary of this Blessing.

Blueprint University – Master’s Guide

- Listen to this teaching—God is a faithful God, honoring His covenant to a thousand generations.
- But we (in the church) do not have people praying covenant blessings. We (the church) talk to God like He owes us something.
- So we (the church) have sent people confessing promises that were not made to us. They were made to the Nation of Israel. And then they don’t get the blessing in their life, and then we (the church) look at those folk like they are trying to get people’s money. They know this is working for them, but what is the issue?
- You have got to believe, because it says that with the heart a man believes unto righteousness. There is righteousness. And what? God sees Abraham.....
- I cannot get the covenants of somebody else, without acknowledging the person that it came from.
- So when Moses is telling them all the blessings, before they go over into the land, he says, “God is going to keep sickness and disease from you in the land that He swore to your forefathers. God is going to bless your barns and your livestock, according to the oath that He made to your forefathers.
- Now, every time that he says something to them, he starts calling God to remembrance about the promise that He with the generations before them. This is because Moses understood—God did not make the covenant with me—He made it with Abraham.
- Even though both sides of the blessing were released through Jesus Christ, the spiritual blessings came through Christ, but the physical blessings came through Abraham.
- I do not pray in the name of Abraham. I pray in the Name of Jesus. And Jesus calls God into accountability of both sides of the blessing.
- So when I release the Blood, it says “God I want both sides of the blessing, both spiritual and physical”. But there is nothing wrong. And it is beneficial and it is a Kingdom Key. It unlocks blessings. So when you say God I call you to remembrance, concerning the blessing that you made with my forefathers—
- That is why when you come into the Kingdom, you don’t pray for miracles, you pray for Kingdom strategies. A religious person prays for miracles so that he has food for a day. A kingdom person prays for a strategy so that he can fish himself and have food for a lifetime.

WINE PRINCIPLES:

1. Cultivator: You must become a person who cultivates and grooms ideas, thoughts, words and atmospheres must all be groomed; without it the idea or such, will die.

2. Fermentation: You must groom revelation until it is strong and ready to teach. Also be prepared to drink the finest wine that flows from God’s vineyard, the Kingdom of God. His perceptions are potent and his principles are intoxicating. God’s principles are supposed to get us drunk spiritually, so that we act out of normalcy with the world’s systems, act without thinking to receive instruction later and get out of religion. God wants control so he wants us drunk because then we can’t drive our own life, he has to drive us around.

Blueprint University – Master’s Guide

3. Fine taste: Learn to be “classy” in what you do. Example: Be a fine wine person who doesn’t build just any kind of website for the business. Build a website attractive and clean and professionally done. Don’t put out any kind of marketing material, make sure it’s the best you can find for your budget. Be patient for great things, a husband, and ministry growth and business acceleration.

4. Under pressure: In those days, they had what was called a “winepress” where they crushed grapes between boulders and made wine. Understand that pressure comes when you are pursuing Kingdom life. Don’t bow to the pressure; break out of earth cursed living by sticking to Kingdom keys and principles. Also the rocks are revelation, the process of receiving and manifesting revelation can hurt to ensure you become that Word you preach. The word must be made flesh in you.

5. Leadership: Reproduce great thinkers and fine winers who can take Kingdom principles, break them into ideas and concepts and then strategies that produce life from the fine.”
